## **Racing The White Silence On The Trail Of The Yukon Quest:**

*Racing the White Silence* Adam Killick, 2005-05-16 Unlike the Iditarod the Yukon Quest International Sled Dog Race isn't for moneyed adventurers with a fanciful interest in mushing. The race billed as the toughest in the world crosses 1 000 miles of forbidding land between Whitehorse and Fairbanks Alaska and pits man woman and dog against the nastiest that nature has to offer. In *Racing the White Silence* Canadian journalist Adam Killick follows the racers and their dogs for two weeks taking us not only into the heartland of the Yukon and Alaska but into the minds of the extraordinary people who dare to race.

**Yukon Quest** Lew Freedman, 2010 Over beer and hamburgers at the Two Rivers Lodge near Fairbanks Alaska a small group of mushers conceived a gutsy idea for a new sled dog race that would be more challenging than any other marathon race in the Far North. In 1984 mushers organized the Yukon Quest International Sled Dog Race between Fairbanks and Whitehorse Yukon Territory. Soon mushers adopted an unofficial race motto: Survive first race second. The Quest trail boasts fewer checkpoints longer wilderness runs and more campouts. The trail crosses three mountain passes including the dreaded 3 685 foot Eagle Summit a killer of mushers dreams. Outdoor survival skills and self reliance are on a par with commercial sponsorships and high tech sleds and mushing gear. Yukon Quest is an exciting inspirational story full of bigger than life characters told by Lew Freedman best selling author of eight books about sled dog racing. Includes a list of race champions names of all finishers and 16 pages of photos. *Quill & Quire* ,2004

**Canadian Books in Print. Author and Title Index** ,1975 *The Book Review Digest* ,2003 *Index de Périodiques Canadiens* ,1964 **This Much Country** Kristin Knight Pace, 2019-03-05 A memoir of heartbreak thousand mile races the endless Alaskan wilderness and many many dogs from one of only a handful of women to have completed both the Yukon Quest and the Iditarod. In 2009 after a crippling divorce that left her heartbroken and directionless Kristin decided to accept an offer to live at a friend's cabin outside of Denali National Park in Alaska for a few months. In exchange for housing she would take care of her friend's eight sled dogs. That winter she learned that she was tougher than she ever knew. She learned how to survive in one of the most remote places on earth and she learned she was strong enough to be alone. She fell in love twice first with running sled dogs and then with Andy a gentle man who had himself moved to Alaska to heal a broken heart. Kristin and Andy married and started a sled dog kennel. While this work was enormously satisfying Kristin became determined to complete the Iditarod the 1 000 mile dogsled race from Anchorage in south central Alaska to Nome on the western Bering Sea coast. **THIS MUCH COUNTRY** is the story of renewal and transformation. It's about journeying across a wild and unpredictable landscape and finding inner peace courage and a true home. It's about pushing boundaries and overcoming paralyzing fears. **The Film Daily ...
