

A large, diverse crowd of people is gathered for a protest or demonstration on a city street. In the foreground, a young man with a beard and brown hair, wearing a green t-shirt, holds a wooden signpost. To his left, a man with a large afro and a black t-shirt looks down at a smartphone. To the right, a woman with short blonde hair and denim overalls also looks at a phone. In the background, a man holds a large white megaphone. Numerous protest signs are visible, with one prominent sign in the upper left that reads "BUILD BACK BETTER". The scene is filled with people of various ages and ethnicities, all participating in the event.

Systemic Racism Joe Feagin,2013-09-13 In this book Feagin develops a theory of systemic racism to interpret the highly racialized character and development of this society Exploring the distinctive social worlds that have been created by racial oppression over nearly four centuries and what this has meant for the people of the United States focusing his analysis on white on black oppression Drawing on the commentaries of black and white Americans in three historical eras the slavery era the legal segregation era and then those of white Americans Feagin examines how major institutions have been thoroughly pervaded by racial stereotypes ideas images emotions and practices He theorizes that this system of racial oppression was not an accident of history but was created intentionally by white Americans While significant changes have occurred in this racist system over the centuries key and fundamentally elements have been reproduced over nearly four centuries and US institutions today imbed the racialized hierarchy created in the 17th century Today as in the past racial oppression is not just a surface level feature of society but rather it pervades permeates and interconnects all major social groups networks and institutions across society

Race, Law and Society Ian Haney López,2017-05-15 Race Law and Society draws together some of the very best writing on race and racism from the law and society tradition yet it is not intended to merely reprint the greatest hits of the past Instead from its introduction to its selection of articles this anthology is designed as a how to manual a guide for scholars and students seeking templates for their own work in this important but also tricky area Race Law and Society pulls together leading exemplars of the sorts of social science scholarship on race society and law that will be essential to racial progress as the world begins to travel the twenty first century

'Race', Sport and British Society Ben Carrington,Ian McDonald,2002-01-04 Contrary to the popular belief that sport is an arena largely free from the corrosive effects of racism this book argues that racism is evident throughout British sport From playing fields and boardrooms of sports organisations to the offices of sports policy makers and the media this book breaks new ground in showing how discourses of race and nation continue to pervade our sporting life Looking at a range of sports including football rugby league and cricket this book covers key topics such as British

nationalism and nationalist ideology racial science and the images of Asian and black physicality sport racism and the law black feminism and the issues of race gender and sport the role of the media in perpetuating and challenging racial stereotypes Challenging the prevailing liberal view that sport is one area of society where good race relations are developed this book offers a wealth of research material and a strong theoretical perspective on contemporary British sport It will therefore be of vital interest to sociologists sports studies students sport policy makers and anyone with an interest in contemporary British sport
