years unearthing what really happened to Bud only to find that the military that discarded him had hidden the truth about his illness for decades Tainted Seas is the sometimes hilarious sometimes heart breaking story of a passionate couple coping with tragedy and the continuing journey of a woman dedicated to justice for military families shattered by the very institutions they nobly served A loving wife on a mission of true love and truth proves that nothing can stay hidden forever even against the power of the US government **The Racquet Game** Allison Danzig,2021-06-28 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *Mail From Jail* George Wesche,2023-02-23 The big mistake of my life stems from the drug culture that I was caught up in as part of my counterculture lifestyle We all experimented with drugs but I took it a bit farther by selling a bit on the side One thing led to another and the next thing you know it became a full time job It got out of hand and the next thing I knew I got busted It was a horror show for the family and I ended up being sentenced to sixty three months at Allenwood Federal Prison Camp in Allenwood Pennsylvania All of the time I was locked up with plenty of time on my hands I wrote letters chronicling everything Two real good friends of mine and myself wrote weekly over the four or so years that I was away Well it turns out that both of my friends saved all of the letters that I wrote to them and when I got home they each handed me a bag full of my mail from jail This book is a compilation of my experiences in jail Some names have been changed to protect the innocent Enjoy
