Coinage and History of the Roman Empire David

Vagi,2016-09-16 First Published in 2001 Coinage and History of the Roman Empire is an invaluable study in the fields of Roman history and numismatics Current scholarship is invoked throughout as a corrective to other published sources hundreds of significant updates in chronology historical perspective and numismatic attribution make this book indispensable The book consists of two volumes volume one History volume two Coinage The 550 year period covered The Imperial Age c 82 27 B C and The Roman Empire 27 B C to A D 480 is divided into twelve epochs each prefaced with an overview of the period's social and historical developments Coinage and History of the Roman Empire is fully illustrated including family trees tables maps and includes an extensive bibliography as well alphabetical and chronological indexes YEAR 1 Susan Buck-Morss,2024-02-06 Reclaiming the first century as common ground rather than the origin of deeply entrenched differences liberating the past to speak to us in another way Conventional readings of antiquity cast Athens against Jerusalem with Athens standing in for reason and Jerusalem for faith And yet Susan Buck Morss reminds us recent scholarship has overturned this separation Naming the first century as a zero point year one that divides time into before and after is equally arbitrary nothing more than a convenience that is empirically meaningless In YEAR 1 Buck Morss liberates the first century so it can speak to us in another way reclaiming it as common ground rather than the origin of deeply entrenched differences Buck Morss aims to topple various conceptual givens that have shaped modernity as an episteme and led us into some unhelpful postmodern impasses She approaches the first century through the writings of three thinkers often marginalized in current discourse Flavius Josephus historian of the Judean War the neo Platonic philosopher Philo of Alexandria and John of Patmos author of Revelation the last book of the Christian Bible Also making appearances are Antigone and John Coltrane Plato and Bulwer Lytton al Farabi and Jean Anouilh Nicholas of Cusa and Zora Neale Hurston not to mention Descartes Kant Hegel Kristeva and Derrida Buck Morss shows that we need no longer partition history as if it were a homeless child in need of the protective wisdom of Solomon Those inhabiting the first century belong together in time and therefore not to us **Classical Numismatic Group XXIV** , **Classical Numismatic Auctions XX** ,
