

Longest War

Stanley B. Sprague

Longest War:

The Longest War Peter L. Bergen, 2011-06-28 New York Times bestselling author Peter Bergen's definitive account of al Qaeda's evolution since 9/11 and the U.S. government's responses The Longest War Dilip Hiro, 1991 First Published in 1991 Routledge is an imprint of Taylor Francis an informal company Omar Al-Bashir and Africa's Longest War Paul L. Moorcraft, 2015-04-30 President Omar al Bashir is Africa's and arguably Arabia's most controversial leader In power since 1989 he is the first sitting head of state to be issued with an arrest warrant for war crimes by International Criminal Court He has been a central personality in Islamic and African politics as well as a love to hate figure for the US in the war on terror For military history readers Al Bashir is a field marshal who has fought possibly the world's longest conflict Modern Sudan has been embroiled in war since 1955 No proper biography has been written on him before Nor has there been a comprehensive military history of Sudan The book briefly covers the military background until independence Then it dissects the long north south civil war until Bashir's Islamist military coup in 1989 Thereafter it narrates the wars in the east south west in Darfur International political and military intervention is also factored in The author draws on in depth one on one interviews with Bashir himself and his family and close political military and intelligence colleagues **15 Years of War** Kristine Schellhaas, 2019-02-20 First time author Schellhaas presents a moving memoir of her life with her husband Ross after he is deployed to Iraq after the events of 9/11 Publishers Weekly Less than 1 percent of our nation will ever serve in our armed forces leaving many to wonder what life is really like for military families He answers the call of duty in Afghanistan Iraq and the Pacific she keeps the home fires burning Worlds apart and in the face of indescribable grief their relationship is pushed to the limits 15 Years of War provides a unique he said she said perspective on coping with war in modern day America It reveals a true account of how a dedicated Marine and his equally committed spouse faced unfathomable challenges and achieved triumph from the days just before 9/11 through fifteen years of training workups deployments and other separations This story of faith love and resilience offers insight into how a decade and a half of war has redefined what it means to be a military family A tough minded but open hearted memoir a frank description of what it takes for a spouse and family to support a soldier The Schellhaases story is deeply personal and unique but it will resonate with other families both civilian and military Foreword Magazine Kristine Schellhaas is a beautiful and transcendent voice of truth and consequence and her memoir 15 Years of War should be required reading for every American who wants to understand just exactly what they have asked of the chosen 1 percent Angela Ricketts author of No Man's War Irreverent Confession of an Infantry Wife The Long War Andrew J. Bacevich, 2009-06-22 Essays by a diverse and distinguished group of historians political scientists and sociologists examine the alarms emergencies controversies and confusions that have characterized America's Cold War the post Cold War interval of the 1990s and today's Global War on Terror The developments of this Long War have left their imprint on virtually every aspect of American life and by considering the period as a whole this volume is

the first to take a truly comprehensive look at America's response to the national security crisis touched off by the events of World War II Contributors consider topics ranging from grand strategy and strategic bombing to ideology and economics and assess the changing American way of war as the twentieth century progressed They evaluate the evolution of the national security apparatus and the role of dissenters who viewed the activities of that apparatus with dismay and they take a fresh look at the Long War's civic implications and its impact on civil military relations More than a military history The Long War examines the ideas policies and institutions that have taken shape since the United States claimed the role of global superpower In breaking down the old and artificial boundaries that have traditionally divided the postwar period into neat historical units this volume offers fresh perspectives on the current state of American national security

Black Flag Journals Dennis John Woods,2016-09-15 The story of America's longest war is complicated and difficult to convey unless you were there Dennis Woods was there By following his stories in Iraq and Afghanistan we can sense the enormity of his combat experiences Originally written for his daughter Black Flag Journals is taken from the author's nine battle book journals It covers his time from the fall of the Twin Towers through his last combat tour Black Flag Journals contains not just stories from the first war of the new century but a day by day record of events that other veterans may use to relate their own experiences All who enjoy real life stories and followers of history will connect with this first person account of America's longest war

Verdun Paul Jankowski,2014-01-06 At seven o'clock in the morning on February 21 1916 the ground in northern France began to shake For the next ten hours twelve hundred German guns showered shells on a salient in French lines The massive weight of explosives collapsed dugouts obliterated trenches severed communication wires and drove men mad As the barrage lifted German troops moved forward darting from shell crater to shell crater The battle of Verdun had begun In Verdun historian Paul Jankowski provides the definitive account of the iconic battle of World War I A leading expert on the French past Jankowski combines the best of traditional military history its emphasis on leaders plans technology and the contingency of combat with the newer social and cultural approach stressing the soldier's experience the institutional structures of the military and the impact of war on national memory Unusually this book draws on deep research in French and German archives this mastery of sources in both languages gives Verdun unprecedented authority and scope In many ways Jankowski writes the battle represents a conundrum It has an almost unique status among the battles of the Great War and yet he argues it was not decisive sparked no political changes and was not even the bloodiest episode of the conflict It is said that Verdun made France he writes but the question should be What did France make of Verdun Over time it proved to be the last great victory of French arms standing on their own And for France and Germany the battle would symbolize the terror of industrialized warfare a technocratic Moloch devouring its children where no advance or retreat was possible yet national resources poured in ceaselessly perpetuating slaughter indefinitely

Our Latest Longest War Aaron B. O'Connell,2017-04-03 American and Afghan veterans contribute to this anthology of critical perspectives a vital contribution

toward understanding the Afghanistan War Library Journal When America went to war with Afghanistan in the wake of 9 11 it did so with the lofty goals of dismantling al Qaeda removing the Taliban from power remaking the country into a democracy But as the mission came unmoored from reality the United States wasted billions of dollars and thousands of lives were lost Our Latest Longest War is a chronicle of how why and in what ways the war in Afghanistan failed Edited by prize winning historian and Marine lieutenant colonel Aaron B O Connell the essays collected here represent nine different perspectives on the war all from veterans of the conflict both American and Afghan Together they paint a picture of a war in which problems of culture including an unbridgeable rural urban divide derailed nearly every field of endeavor The authors also draw troubling parallels to the Vietnam War arguing that ideological currents in American life explain why the US government has repeatedly used military force in pursuit of democratic nation building In Afghanistan as in Vietnam this created a dramatic mismatch of means and ends that neither money technology nor weapons could overcome

The Long War David Loyn, 2025-09-23 Just as U S soldiers and diplomats pulled out of Afghanistan supposedly concluding their role and responsibility in the two decade conflict the country fell to the Taliban In The Long War award winning BBC foreign correspondent David Loyn uncovers the political and military strategies and failures that prolonged America s longest war Three American presidents tried to defeat the Taliban sending 150 000 international troops at the war s peak with a trillion dollar price tag But early policy mistakes that allowed Osama bin Laden to escape made the task far more difficult Deceived by easy victories they backed ruthless corrupt local allies and misspent aid The story of The Long War is told by the generals who led it through the hardest years of combat as surges of international troops tried to turn the tide Generals which include David Petraeus Stanley McChrystal Joe Dunford and John Allen were tested in battle as never before With the reputation of a warrior monk McChrystal was considered one of the most gifted military leaders of his generation He was one of two generals to be fired in this most public of commands Holding together the coalition of countries who joined America s fight in Afghanistan was just one part of the multi dimensional puzzle faced by the generals as they fought an elusive and determined enemy while responsible for thousands of young American and allied lives The Long War goes behind the scenes of their command and of the Afghan government The fourth president to take on the war Joe Biden ordered troops to withdraw in 2021 twenty years after 9 11 just as the Taliban achieved victory leaving behind an unstable nation and an unforeseeable future

Afghanistan's Violent Decades Stanley B. Sprague, 2024-10-24 This book examines the key political and military events in Afghanistan from 1978 to August 2021 It covers the Afghan Soviet war and how that war was followed by an Afghan Civil War that made the country receptive to the rise of the Afghan Taliban It explains how the Taliban secured control of Afghanistan s government and permitted Osama bin Laden to reside in the country while he secretly planned an attack on the American mainland It also covers why Osama bin Laden s al Qaeda terrorists on September 11 2001 flew hijacked airliners into New York City s World Trade Center and the Pentagon It describes how American and NATO forces responded by

invading Afghanistan to destroy al Qaeda and to overthrow the Taliban government The 20 year Afghan NATO war which followed would lead to American troops suffering 2 488 dead and 20 722 wounded This book is one of the first to cover this long war written after the war ended in August 2021 giving it a new perspective It offers an even handed coverage of the war based on Taliban American and British sources *Landpower in the Long War* Jason W. Warren, 2019-06-14 War and landpower's role in the twenty first century is not just about military organizations tactics operations and technology it is also about strategy policy and social and political contexts After fourteen years of war in the Middle East with dubious results a diminished national reputation and a continuing drawdown of troops with perhaps a future force increase proposed by the Trump administration the role of landpower in US grand strategy will continue to evolve with changing geopolitical situations *Landpower in the Long War Projecting Force After 9 11* edited by Jason W Warren is the first holistic academic analysis of American strategic landpower Divided into thematic sections this study presents a comprehensive approach to a critical aspect of US foreign policy as the threat or ability to use force underpins diplomacy The text begins with more traditional issues such as strategy and civilian military relations and works its way to more contemporary topics such as how socio cultural considerations effect the landpower force It also includes a synopsis of the suppressed Iraq report from one of the now retired leaders of that effort The contributors made up of an interdisciplinary team of political scientists historians and military practitioners demonstrate that the conceptualization of landpower must move beyond the limited operational definition offered by Army doctrine in order to encompass social changes trauma the rule of law acquisition of needed equipment civil military relationships and bureaucratic decision making and argue that landpower should be a useful concept for warfighters and government agencies **Defence Diplomacy in the Long War** Patrick Blannin, 2017-08-28 One of the most dominant security issues of the twenty first century has been the US led battle against transnational terrorism the aptly named Long War Over the past fifteen years the Long War has been examined using multiple perspectives However one central mechanism is missing in current Long War analyses defence diplomacy Defence diplomacy enhances the diplomatic and security capacity of a state providing the only link between executive office and the ministries of foreign affairs and defence two vital institutions in the Long War Using a case study of US defence diplomacy in Afghanistan from 2001 to 2014 the paper argues simply that the practice of defence diplomacy far outweighs current theories on what it is how it works and why it matters The paper aims to generate a more nuanced understanding of defence diplomacy as well as identify it as a key component of the US CT COIN strategy to achieve their Long War policy objectives **Unfolding the Future of the Long War** Christopher G. Pernin, Brian Nichiporuk, Dale Stahl, Justin Beck, Ricky Radaelli-Sanchez, 2008-12-16 The United States is currently engaged in a military effort that has been characterized as the long war This study explores the concept of long war and identifies ways in which it might unfold as well as the implications for the Army and the U S military more generally This report uses the generation of either trajectories or alternative paths in which the long war might unfold to explore the

implications for the U S military **Wars of Revelation** Rebecca Lissner,2021-10-26 As American foreign policy experts anticipate a new Cold War with China there is no better time to reflect on the evolution of the United States grand strategy during its decades long contest with Russia Lissner shows that military interventions in Korea Vietnam and Iraq were crucibles for American foreign policy in the latter half of the 20th century testing strategic axioms on the battlefield and compelling adjustments to Washington s conception of its global role In each case these wars of revelation provided searing insights into the capabilities and intentions of America s most dangerous international adversaries as well as the potential and limits of its own national power By centering her narrative of post World War II American foreign relations on these pivotal episodes Lissner provides an historically rich and theoretically compelling narrative that will interest readers keen to understand the past present and future of US grand strategy **The Four Ages of American Foreign Policy** Michael Mandelbaum,2022 Independence 1765 1788 In the shadow of the French Revolution 1788 1815 The continental republic 1815 1865 Great power debut 1865 1914 The offshore balancer 1914 1933 The arsenal of democracy 1933 1945 The contest of systems 1945 1953 War improbable peace impossible A superpower dies in bed The new world order 1990 2001 Back to the future 2001 2015 *America in White, Black, and Gray* Klaus P. Fischer,2007-05-30 Numerous studies on various aspects of the issues of the 1960s have been written over the past 35 years but few have so successfully integrated the many sided components into a coherent synthetic and reliable book that combines good storytelling with sound scholarly analysis

Vietnam George Donelson Moss,2020-12-30 Now in its 7th edition *Vietnam An American Ordeal* continues to provide a thorough account of the failed American effort to create a viable non Communist state in Southern Vietnam Unlike most general histories of U S involvement in Vietnam which are either conventional diplomatic or military histories this volume synthesizes the perspectives to explore both dimensions of the struggle in greater depth elucidating more of the complexities of the U S Vietnam entanglement It explains why Americans tried so hard for so long to stop the spread of Communism into Indochina and why they failed In this new edition George Donelson Moss expands and refines key moments of the Vietnam War and its aftermath including the strategic and diplomatic background for United States involvement in Indochina during World War II how the French with British and American support regained control in southern Vietnam Saigon and the vicinity in the fall 1945 the account for the formation of SEATO and the account of the Sino Vietnamese War of 1979 The text has also been revised and updated to align with recently published monographic literature on the time period The accessible writing will enable students to gain a solid understanding of how and why the United States went to war against The Democratic Republic of Vietnam and why it lost the long bitter conflict This book will be of interest to students and scholars of American history the history of foreign relations and the Vietnam War itself **How Wars Are Won and Lost** John A. Gentry,2011-11-10 This provocative book seeks to answer a most crucial and embarrassing question concerning the U S military why the United States is so often stymied in military confrontations with seemingly weaker opponents despite its

superpower status This fascinating book examines a question that continues to puzzle soldiers statesmen and scholars why do major powers including the ostensible superpower United States repeatedly perform poorly against seemingly overmatched adversaries And what can they and the United States do to better achieve their military objectives How Wars are Won and Lost Vulnerability and Military Power argues that beyond relying solely on overwhelming military might the United States needs to focus more on exploiting weaknesses in their adversaries such as national will resource mobilization and strategic miscues just as opposing forces have done to gain advantage over our military efforts The author tests the vulnerability theory by revisiting six conflicts from the Philippine War of 1899 1902 to the ongoing actions in Iraq and Afghanistan showing again and again that victory often depends more on outthinking the enemy than outmuscling them

American Propaganda from the Spanish-American War to Iraq Steven R. Brydon, 2021-11-01 In this book Steven R. Brydon analyzes American war propaganda spanning from the Spanish American War through the wars in Afghanistan and Iraq Brydon argues that many of these wars were fought based on false or misleading narratives beginning with blaming Spain for the sinking of the Maine and continuing most recently with charges that Saddam Hussein had weapons of mass destruction and was involved in the terrorist attacks of September 11 Research has shown that well told stories can affect the public's beliefs attitudes and actions and Brydon has identified some of these recurring stories that have been told to support and sustain each war during this time period Using Fisher's narrative paradigm Brydon critically evaluates these war stories to determine if they possessed narrative coherence and fidelity that provided good reasons to go to war rather than simply the appearance of these qualities The responsibility Brydon stresses is on the media and on academics to view future war narratives through a critical lens in order to best inform the American people Scholars of media studies history military studies American studies and international relations will find this book particularly useful

The Icarus Syndrome Peter Beinart, 2010 In *The Icarus Syndrome* Peter Beinart tells a tale as old as the Greeks a story about the seductions of success Beinart describes Washington on the eve of three wars World War I Vietnam and Iraq three moments when American leaders decided they could remake the world in their image Each time leading intellectuals declared that history was over and the spread of democracy was inevitable Each time a president held the nation in the palm of his hand And each time a war conceived in arrogance brought untold tragedy In dazzling colour Beinart portrays three extraordinary generations the progressives who took America into World War I led by Woodrow Wilson the lonely preacher's son who became the closest thing to a political messiah the world had ever seen The Camelot intellectuals who took America into Vietnam led by Lyndon Johnson who lay awake night after night shaking with fear that his countrymen considered him weak And George W. Bush and the post cold war neoconservatives the romantic bullies who believed they could bludgeon the Middle East and liberate it at the same time Like Icarus each of these generations crafted wings a theory about America's relationship to the world They flapped carefully at first but gradually lost their inhibitions until giddy with success they flew into the sun But every era also

brought new leaders and thinkers who found wisdom in pain They reconciled American optimism our belief that anything is possible with the realities of a world that will never fully bend to our will In their struggles lie the seeds of American renewal today Based on years of research The Icarus Syndrome is a provocative and strikingly original account of hubris in the American century and how we learn from the tragedies that result

Getting the books **Longest War** now is not type of inspiring means. You could not isolated going subsequently ebook hoard or library or borrowing from your associates to entrance them. This is an utterly simple means to specifically acquire lead by on-line. This online proclamation Longest War can be one of the options to accompany you taking into consideration having further time.

Longest War Introduction

In today's digital age, the availability of Longest War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Longest War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Longest War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Longest War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Longest War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Longest War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Longest War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Longest War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Longest War books and manuals for download and embark on your journey of knowledge?

FAQs About Longest War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Longest War is one of the best book in our library for free trial. We provide copy of Longest War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Longest War. Where to download Longest War online for free? Are you looking for Longest War PDF? This is definitely going to save you time and cash in something you should think about.
