Looking Back Marge Knoth,1996-03-01 **The Uses of Reminiscence** Mark Kaminsky,2014-02-24 The meaning and value of reminiscence in the lives of elders is beautifully explored **Just Looking Back** Michael Pilbro,2015-07-21 In the year 1943 I might have seen some progress in the fight against Nazi Germany but bombs were still falling on the city in which I lived Amidst this chaos I entered the world on April 29 1943 and began a life which offered much variety and a fair degree of excitement The work in a government agency the years volunteering as a special police officer the several failed marriages and the finding of my birth family following my early adoption kept me extremely occupied for most of my life I soon began to learn what life was all about There were never any easy answers and I resented the suggestion that I was just lucky All I needed in my early years was admittedly some sweets and comics and sufficient entertainment to keep me happy Later life became harder and often decidedly unhappier This is perhaps where I should begin My life was amusing and sad in equal proportions but above all it represents a genuine account of a very average life lived by many in a very ordinary environment that seemed to answer more questions than were ever posed **Anchora of Delta Gamma: Vol. 66, Vol. 1 ,**
