Flares of Memory Anita Brostoff, 2001-05-24 In a series of writing workshops at the Holocaust Center of Pittsburgh survivors who were children or teens during World War II assembled to remember the pivotal moments in which their lives were irreparably changed by the Nazis These flares of memory preserve the voices of over forty Jews from throughout Europe who experienced a history that cannot be forgotten Ninety two brief vignettes arranged both chronologically and thematically recreate the disbelief and chaos that ensued as families were separated political rights were abolished and synagogues and Jewish businesses were destroyed Survivors remember the daily humiliation the quiet heroes among their

friends and the painful abandonment by neighbors as Jews were restricted to ghettos forced to don yellow stars and loaded like cattle into trains Vivid memories of hunger disease and a daily existence dependent on cruel luck provide penetrating testimonies to the ruthlessness of the Nazi killing machine yet they also bear witness to the resilience and fortitude of individual souls bombarded by evil I don't think that there will be many readers who will be able to put this book down

BOOK PRESENTATION The Solution for Death Visual Interactive Book Risale i Nur Treatise of Light Training Program We are inviting you for an utterly different experience an interactive book full of incredible discoveries where you will come to an impressive visual journey **READING THE BOOK OF UNIVERSE AND RISALE I NUR HAS NEVER BEEN SO PLEASANT** In total there are 116 visuals and 10 videos utilized rate of visuality is 50% in this enormous study where interactive visuals are also used It is a first attempt in its area worldwide This book which is an explanatory work based on 2nd Matter of Risale i Nur s Treatise of Fruit and Second Station of 13th Word of Risale i Nur is written to look at death and life in the light of a different perspective When you complete the book you will witness that the cure of the death greatest matter for a man has been found and that the method for finding an immortal life and an everlasting happiness have been shown Firstly we are trying to look closely at the fact that the cure given by the Religion for death is a tremendous harbinger brought by the Religion by the hands of Prophets Later a very important truth is explained with a striking example describing the proposals of the two different groups in the face of death one inviting us to the eternal life while the other inviting us to the ephemeral world And later with an impressive style it is determined that the great importance for the human being of the cure remedy for escaping from the execution of the death and the true meaning of everything could only be found with the recognition by everybody that he/she is like a convict waiting for his or her turn for hanging At the next stop The reasons of the profound difference between a Muslim and a non believer or somebody believing in other monotheistic religions and the effects of this difference on social life are evaluated In addition it is stated that everything that has been existing in the name of humanitarian values and civilization was first introduced by the prophets and with the support given for adaptation of these invaluable moral treasures by others these values have become universal And later the question how could a non believer with such a disbelief enjoy the life and continue living are replied with stunning answers Moreover the situation of those people who on appearance seem to believe despite being not interested in

the high truths declared and the responsibility of worship brought by the religion is put under investigation And ultimately Saving One s faith an important concept that is not adequately known in this country whose population is 99% Muslim is dealt with It is determined that the expression that At least I am a believer and even if I am sent to hell I ll get out of there and go to Heaven unfortunately does not reflect the reality of the situation we are in and that believing does not necessarily mean that that faith will come to grave together with you and an answer to the following question is looked for We wonder what are the characteristics of a faith that will give us happiness in the eternal life with 99% certainty We would like you to accompany us in this imaginary and mental journey of discovery There is only one fixed price for a ticket of the Journey A strong sense of wonder in the search for truth This work is a part of our basic source book called A Journey of Discovery for an Extraordinary Treasure Risale i Nur The Treatise of Light Training Program upon which our Journeys of Discovery Risale i Nur Training Program is constructed and it is The Solution for Death which is the fourth discovery of the five discovery dealt with in the first main part of that book which is called Discovering the Value of the Treasure of Faith We strongly suggest and present this book to those who regularly read Risale i Nur as well as to those who want to get some information for the first time The epilogue of our book which is entitled Your Journey Just Begins Now is also included in this work as it contains emotional striking and impressive points coming sincerely from the deepest parts of our hearts about the reading of Risale i Nur and attendance to the Risale i Nur Lectures WHY A VISUAL INTERACTIVE BOOK Reading and watching the written truths in a verbal and visual format with additional explanations not provided in our book enables you to better understand and feel them In this way you are following the most fruitful method in understanding the knowledge of faith which cannot be understood just with intellect but rather are felt truths and in opening the door for new perspectives for them We keenly believe that with this method of reinforcement Allah willing highest level of benefit will be realized in terms of understanding Risale i Nur and the universe When you open Pdf document on your computer with Adobe Reader you can read it better by choosing two pages option and zooming in Since full screen mode of the Microsoft Word changes the places of the visuals you should read it in page format by zooming in We would rather prefer if you would download it in Pdf format and read it with Adobe Acrobat due to both its small size and readability it in this way It is possible to click links and open the word and Pdf files and videos within this interactive book in your computers and cell phones In your cell phone use Wps Office for Word and Adobe Acrobat Reader for Pdf files Wps Office is a useful program which opens the footnotes when clicked upon but it can t open the links in this way For this reason we suggest that you use Adobe Acrobat Reader in order to benefit from the interactive features of the book BOOK INDEX Looking at Death and Life Under a Different Kind of Light Introductory Text The Gallows and the Lottery Office From 11th Ray The Treatise of Fruits Being Sentenced to Death The Difference that A Muslim Makes The Second Station of the Thirteenth Word How Do We Deceive Ourselves The Concept of Saving the Faith
