The Weapon Michael Z. Williamson, 2005-08-01 Mission Sabotage a Planet Survival Not Guaranteed Kenneth Chinran was a disaffected youth who joined the military and was recruited for an elite deep cover unit surviving training and exercises so tough that several of the recruits did not survive At the peak of his career he was sent by his star nation to infiltrate a fascistic militaristic planet Earth He lived in deep cover for years marrying and having a daughter Then the Earth forces attacked his home system and he and his team came out of hiding attacking and destroying the infrastructure of the crowded planet disabling transportation and communications and creating terror in city after city As a result of his attacks billions died for lack of the food water and power which the ravaged system could no longer supply His sabotage was successful but the deaths of so many weighed heavily on his mind making him wonder if he was still sane Then the secret police discovered his identity With his daughter the only thing in his life that had so far kept him human he was on the run

while the resources of a planetwide police state were tracking him down He could see no way to escape from the planet no way to keep hiding and if he and his daughter were caught death was the very least that they could expect But Chinran is a warrior in his soul and even if he loses this last battle he won't go down without a fight that his pursuers the ones who survive will never forget At the publisher's request this title is sold without DRM Digital Rights Management *Memorize SAT Vocabulary the Quantum Way* Xuhua Chen, 2012-08-01 The simple memory technique in the book has never been explored fully before Please be surprised that you will be much better than your peers after using the technique There are two main advantages of the memory technique 1 To help you to memorize the meaning of a word For example ego oneself The first letter of the linked word oneself is o which is the same as the last letter of ego The connection should tell you the meaning of ego See more examples as below imp infant check the link between the letters i notion idea check the link between the letters i cerebral brain check the link between the letters b 2 To help you to distinguish easily confused words migrate move check the link between the letters m immigrate in check the link between the letters i emigrate exit check the link between the letters e stationary abiding check the link between the letters a stationery envelope check the link between the letters e Very simple and easy indeed There are more secrets in the book **The Great Dictionary English - Finnish** Benjamin Maximilian Eisenhauer, This dictionary contains around 80 000 English terms with their Finnish translations making it one of the most comprehensive books of its kind It offers a wide vocabulary from all areas as well as numerous idioms The terms are translated from English to Finnish If you need translations from Finnish to English then the companion volume *The Great Dictionary Finnish English* is recommended [Results of the First United States Manned Orbital Space Flight](#) United States.
