Late to Say Goodbye Ann Rule, 2007-06-05 From bestselling author Ann Rule comes the engrossing true story of two beautiful loving women and their murder by the man in their life handsome charming rich a man marked for unlimited success but one who would never allow any woman to leave him no matter what the provocation Jenn Corbin a lovely slim brown eyed blonde appeared to have it all two dear little boys a posh home in one of the upscale suburbs of Atlanta expensive cars a plush houseboat and a husband Dr Bart Corbin a successful dentist who was tall handsome and brilliant But gradually their seemingly idyllic life together began to crumble There was talk of seeing a marriage counselor Bart was distraught Jenn seemed disenchanted She needed to reach out to someone she could confide in beyond her mother and her sisters Then just a few weeks before Christmas 2004 Jenn was found dead with a bullet in her head a revolver beside her From the position of the body her death appeared to be a suicide But Gwinnett County detective Marcus Head was not totally convinced nor was Jenn s family who could not believe she would take her own life And how was this death related to another apparent suicide fourteen years earlier that of Dorothy Dolly Hearn a spectacularly beautiful dental student A star athlete and homecoming queen in high school Dolly later dated Bart Corbin in dental school Was there a connection or was the answer to be found in a secret even dangerous relationship Jenn Corbin was having outside her marriage For Too Late to Say Goodbye Ann Rule has interviewed virtually everyone in any way related to the story the victims families police investigators prosecutors and sources from Georgia to Australia to uncover the truth behind the headlines of these two sensational deaths What emerges is an incredible tale of jealous rage of stunning circumstantial and physical evidence that runs from the steamy to the macabre to almost unheard of forensic techniques and of a tragic irony a fateful discovery that motivated the killing The definitive unraveling of one of the strangest murder investigations of our time Too Late to Say Goodbye is perhaps the finest achievement of a truly great writer s career **The modern Pythagorean; tales, essays, and sketches.
