lives of actual governesses drawn from their letters and journals to craft a rare portrait of real women whose lives were in stark contrast to the romantic tales of their fictional counterparts Governess will resonate with the many fans of Jane Austen and the Brontës whose novels continue to inspire films and books as well as fans of The Nanny Diaries and other books that explore the longstanding tension between mothers and the women they hire to raise their children **The Power and the Glory** Gilbert Parker, 1925 A story of dangerous exploration and court intrigue with 17th century Quebec the wilds of the Mississippi and the court of Louis XIV as the background and with Count Frontenac Tonty of the Iron Hand and La Salle as the chief characters HOLDING British Business in Asia Since 1860 R.
