The Beatification Story of Irene Mary & Derrick Taylor Irene Mary Taylor, Cometan, Derrick Taylor, 2022-09-22 The initial foundations to the notion that Cometan's grandparents Irene Mary Taylor and Derrick Taylor should be recognised for their life as laypeople in the Roman Catholic Church first emerged in January 2020 and October 2021 respectively Irene Mary was well known for her devotion to Catholicism among her family and acquaintances yet Cometan saw in her icon and life events an opportunity to reinvigorate Catholic fervour in England and abroad In his own endeavour as a religious figure and philosopher as the founder of Astronism Cometan had made it clear that his paternal grandmother had played a large role in his religious life from infancy and so Irene Mary's Cause for Beatification was the culmination of this destined religious figureship The Beatification Story of Irene Mary Taylor holds the responsibility of presenting Irene Mary for the recognition in the Roman Catholic Church in whichever capacity the Church deems suitable The book explores the major remembered life events of Irene Mary Taylor relates them to Catholic doctrine and systematises them to form Irenianism Irene Mary's eponymous Catholic system of thought
