Louis the Torch Paul C. Metcalf,1983-01-01 **Ben's** Sammy Levitt,2021-02-15 Beginning with the assassination of Martin Luther King Jr the North Philadelphia neighborhood of Logan experienced a massive change and shifting population The racial boiling point in Philadelphia was ten years later in 1978 Ben s is set in the summer of that year when turf wars crime and political upheaval were rampant in the city The central character Torch is a small time numbers writer who works for Bah Bah the head of a lucrative gambling and loan shark operation in south Philadelphia When Bah Bah is forced to change the location of his business and go underground he runs into some tense situations with the members of Ben s They are a loosely organized group of young men including Torch who are engaged in various types of petty crime and hustles The situation is made more complicated and dangerous by the existence of a hidden meth lab and several local rogue cops who want to find it and rip it off Superiors Donald Sossamon,2021-06-16 What if angels were directly linked to the existence vampires Superiors begins in the eighteenth century when a man named Silas was injured by a fallen angel and transformed into a vampire After the attack he began to receive visions he believed came from a higher power Over the centuries a forceful demon named Mammon and a powerful vampire named Matthew became a dangerous threat Silas is later guided through visions to help genetically clone giants so they can potentially take part in a fight with Mammon and Matthew Later when the giants have become adults Silas recruits a man who has the eternal soul of an angel named Joseph and a mortal human with an incredible talent named David to help him with his mission **Fish and Wildlife Research** ,1986 Magic and Divination at the Courts of Burgundy and France Jan R. Veenstra,1998 This volume presents a critical edition of Laurens Pignon s treatise Contre les devineurs 1411 and examines its literary and historical context of courtly magic and astrology in Burgundy and France during the reign of Charles VI Temple Bar ,1867 *PRISONERS OF A SHADOW WORLD* Eric Johns,2012-11-08 Prisoners of a Shadow World tells the story of Louis Philippe who is half French half English and of Madeleine who is Jewish They live in France during the Second World War under the German Occupation which casts a terrifying shadow over their lives and the darkest shadow is cast by the Gestapo the secret police To make the situation even more dangerous Louis Philippe s grandfather runs an escape network for RAF aircrew who have been shot down and Louis Philippe is helping him At the same time there is a growing danger to Madeleine since Jews in France face the threat of being arrested and transported to death camps in eastern Europe As the shadows deepen so their attempts to stay alive become ever more desperate *The Art of Frenzy* Jane Kromm,2003-01-01 The Art of Frenzy presents a masterful analysis of public madness from the Renaissance to the Industrial Age Frenzy the most flagrant and political form of madness is the madness of warrior heroes kings scolds and the possessed Its representation incorporates a range of traditional characters and figures from Hercules and Orlando to Medea and Britannia Understood as abusive power and belligerence out of control and described in terms drawn equally from definitions of tyranny and liberty frenzy has always been articulated with a significant

degree of political meaning Integrating art history with cultural studies political history and the history of medicine Jane Kromm draws on a wide range of mediums and contexts from asylum sculpture to political broadsheets medical texts the imagery of revolution caricature and medical illustrations to clarify the importance of this interpretative pattern **The Holy Grail: Is in the Anatolia** Hasan Algül,2025-01-07 The Holy Grail is a mystery that has not been solved yet or it is a myth that has been told for centuries So could the key that would solve the mystery of the Holy Grail be in Anatolia Or maybe the Grail itself Why have so many Western mystics researchers alchemists explorers and founders of secret societies felt the need to visit Istanbul and Anatolia over the centuries Philip IV the French King of Navarre had received a secret message And this secret message disclosed the location of the Holy Grail which was thought to be nothing more than a myth Without wasting any time Philip IV assigned a three man team to steal the Grail from the Knights of the Temple and bring it to him Leading the team was Louis A brave and venturous knight fully devoted to the King In this book you will read about the battles of Louis and his men against the Knights of the Temple as well as his love with a girl in an Armenian village in Anatolia Catalog of Copyright Entries.
