

Louis Xivs Versailles

Robert W. Berger, Thomas F. Hedin

Louis Xivs Versailles:

Versailles and the Court Under Louis XIV James Eugene Farmer, 1906 Visitors to Versailles Daniëlle Kisluk-Grosheide, Bertrand Rondot, 2018-04-16 What was it like to visit one of the most magnificent courts of Europe Based on a wealth of contemporary documents and surviving works of art this lavish book explores the experiences of those who swarmed the palace and grounds of Versailles when it was the seat of the French monarchy Engaging essays describe methods of transportation the elaborate codes of dress and etiquette precious diplomatic gifts royal audiences and tours of the palace and gardens Also presented are the many types of visitors and guests who eagerly made their way to this center of power and culture including day trippers and Grand Tourists European diplomats overseas ambassadors incognito travelers and Americans Through paintings and portraits furniture costumes and uniforms arms and armor guidebooks and other works of art *Visitors to Versailles* illuminates what travelers encountered at court and what impressions gifts and souvenirs they took home with them In bringing to life their experiences this sumptuously illustrated volume reminds us why Versailles has enchanted generations of visitors from the ancien r gime to the present day **Louis, Fourteenth's Versailles** Guy Walton, 1986 Diplomatic Tours in the Gardens of Versailles Under Louis XIV Robert W. Berger, Thomas F. Hedin, 2008-09-22 The first book to examine how the vast gardens of Versailles were used as a setting for the receptions of ambassadors heads of state and other visiting dignitaries who conducted diplomatic and political business with France

Versailles and the Court Under Louis XIV James Eugene Farmer, 1907 *Versailles* Robert W. Berger, 1985 As the author writes Versailles is the most famous palace in the world Its name evokes more than that of any other monument the political institution of absolute monarchy and the aesthetic qualities of vast scale and bombastic display features which are often evident in Baroque art In 1668 Louis XIV decided to enlarge Versailles by preserving his father s building the Petit Chateau and by enclosing it in a new structure the Envelope This decision and the history of indecision that went before and after it are prominent themes in this book about the new Chateau of Louis XIV and its most important interior spaces Architect of the Envelope Louis Le Vau departed from his usual Italian Baroque sources to draw upon Italian High Renaissance models for the first and last time in his career Inside the Escalier des Ambassadeurs was designed by Francois d Orbay who drew upon a slightly earlier project for a Louvre stair by Claude Perrault The history of the frescoes in d Orbay s staircase proves that decorative schemes at Versailles were especially susceptible to bearing imagery directly alluding to or representing contemporary events Chapters on the Planetary Room and the Galerie des Glaces then continue the discussions of decorative themes and the pull between tradition and innovation in design The palace at Versailles has been the subject of an abundance of published documents and modern art historical studies however the investigator will discover that numerous art historical problems are unresolved and there are new and fruitful questions to be posed The author offers new solutions to old problems explores new questions and discusses artistic forms within a broader art historical context than is

encountered in past treatments Though modern scholarship on Versailles has been strengthened by important studies by Alfred Marie Fiske Kimball and other who have drawn on both primary published sources and unpublished documents Professor Berger has discovered that published sources of the late 17th century and the 18th century provide rich material that has as yet been underutilized *The Sun King, Louis XIV at Versailles* Nancy Mitford,1976 **The Palace of Versailles** James Barter,1999 Describes the building of the extravagant palace at Versailles in its historical context particularly as a reflection of the personality and influence of Louis XIV *Louis XIV & Versailles* Diana De Marly,1987

A Fanfare for the Sun King Pamela Cowen,2003 This illustrated volume published in conjunction with an exhibition at The Fan Museum Greenwich gathers together a group of over 40 fans and fan leaves dating from the reign of Louis XIV These fans and fan leaves are presented within five thematic chapters which together present a unique insight into the social cultural and political life of the Court of Louis XIV much of it centred on the Gardens of Versailles and the role played by the fans in presenting and promoting all aspects of Louis reign The author identifies many of the sources of the designs and motifs of the fans and shows how the design and decoration of these fans was integrally linked with wider stylistic developments within the decorative arts BOOK JACKET **Louis XIV and Absolutism** Ragnhild Marie Hatton,1976-01-01

Versailles Colin Jones,2018 The vivid story of the creation renovation and enduring legacy of the most famous building in France the palace of Versailles Nothing represents the glorious and fraught history of France quite like the Palace of Versailles Made famous by the absolutist king Louis XIV Versailles became legendary for the splendor of its revels but then after the Revolution of 1789 it fell into disrepute as a reminder of royal excess and abuse of power Subsequent French governments struggled with how to handle the opulent palace and grounds should the site be memorialized trivialized rehabilitated or even destroyed outright Drawing on a new wave of recent research historian Colin Jones masterfully traces the evolution of Versailles as a space of royal politics and aristocratic pleasures a building of mythic status and one of the world s great tourist destinations Accessible and compelling this book is a must read for all Francophiles *Versailles in the Age of Louis XIV* ,1993 **Palaces of the Sun King** Andrew Zega,Bernd H. Dams,2002 Depicted are several of the most influential structures in all of Western architecture such as the palace of Versailles and the magnificent lost complex at Marly which contemporaries deemed a veritable Paradise on Earth The authors give full attention to unrealized projects and depict completed structures not as they stand today if indeed they stand at all but as they were originally designed by the leading architects of the day BOOK JACKET **CM BDC Absolutism in Practice: Louis XIV, Versailles, and the Art of Personal Kingship** Bedford/St. Martin's,2018-01-04 This document collection explores how Louis XIV sought to embody absolutism through his personal rule by examining the theory behind absolutism Louis s own writings on kingship and the observations of eyewitnesses at his court shedding light on traditions of royal government in Europe since the Middle Ages Students are guided through their analysis of the primary sources with an author provided learning objective central
