Studies,2005-01-01 Nova Scotia s Cape Breton Island is a beautiful region with a unique community whose history and ethnic composition have resulted in the evolution of a powerful sense of identity and place While outsiders may think only of the island s perennial economic woes and long economic dependence on coal mining and steel production it is also the home of a rich vibrant and distinct culture Brian Douglas Tennyson s Cape Bretoniana is the first bibliography to gather together all known publications relating to the history culture economy and politics of Cape Breton Island With more than 6000 entries it not only provides a comprehensive listing of publications and post graduate theses but also detailed annotations on the listings Each entry lists the author title place of publication publisher date of publication volume and issue number in the case of periodicals and page references followed by a brief description of the item Cape Breton has never been so thoroughly documented This bibliography will help to ensure that even in a world becoming increasingly homogenized by the forces of globalization unique cultural identities like Cape Breton s can be preserved and nurtured *Home Away From Home*

Jeronima Echeverria,1999-11-01 In this meticulously researched study of Basque boardinghouses in the United States Jeronima Echeverria offers a compelling history of the institution that most deeply shaped Basque immigrant life and served as the center of Basque communities throughout the West She weaves into her narrative the stories of the boarding house owners and operators and the ways they made their establishments a home away from home for their fellow compatriots as well as the stories of the young Basques who left the security of their beloved homeland to find work in the United States

Dictionary of Cape Breton English William John Davey,Richard P. MacKinnon,2016-10-27 Biff and whiff baker s fog and lu sknikn pie social and milling frolic these are just a few examples of the distinctive language of Cape Breton Island where a puck is a forceful blow and a Cape Breton pork pie is filled with dates not pork The first regional dictionary devoted to the island s linguistic and cultural history the Dictionary of Cape Breton English is a fascinating record of the island s rich vocabulary Dictionary entries include supporting quotations culled from the editors extensive interviews with Cape Bretoners and considerable study of regional variation as well as definitions selected pronunciations parts of speech variant forms related words sources and notes giving the reader in depth information on every aspect of Cape Breton culture A substantial and long awaited work of linguistic research that captures Cape Breton s social economic and cultural life through the island s language the Dictionary of Cape Breton English can be read with interest by Backlanders Bay byes and those from away alike **Comparing Cultures** John W. Pickering,1999 With material for approximately 24 class periods Comparing Cultures exposes your students to Bolivia Canada Russia Korea Tasmania and Ghana concluding with the creation of their own culture language customs and more Cooperative learning and critical thinking skills are developed through activities that integrate personal experiences with classroom materials **Canadian Books in Print. Coarse Earthenwares from the Fortress of Louisbourg Kenneth James Barton, 1981 This paper identifies and attempts to evaluate 39 groups of wares derived from an examination of 58 737 sherds of pottery These wares were discovered as a result of the extensive excavations that have taken place at Louisbourg in the past 20 years They comprise coarse earthenwares only the fine wares are the subject of separate attention The French wares were probably derived from two sources the west coast naval base of Rochefort and the south coast port and naval supply base of Marseilles Both places attracted goods from some distance for northern French material occurs here as do northern Italian wares The colonial wares are varied and suggest several sources there are also ephemeral groups of wares from England and the Orient *The Island* Kenneth Joseph Donovan, 1990 An informal personal history by one of the most respected and beloved regional historians of the Maritimes Insights into schooling and society family and church the outdoors and the universities all of which shaped his character and his work Edited and introduced by former student Stephen Dutcher and featuring a conversation with historian John G Reid **The Beaver**, 1985 **Past Meets Present** John H. Jameson, Sherene Baugher, 2007-04-17 In the face of an increasing public interest and demand for information archaeologists are starting to collaborate with historians educators interpreters museum curators exhibit designers landscape architects and other cultural resource specialists to devise the best strategies for translating an explosion of archaeological information for the public In turn some communities are partnering with archaeologists to become active players in the excavation interpretation and preservation of their heritage The last decade has witnessed numerous applications of public interpretation and outreach models and an increased interest in establishing partnerships between professional practitioners in public interpretation and educational institutions such as museums and schools These developments have occurred in the context of a realization that community based partnerships are the most effective mechanism for long term success It is clear that there is a need for a volume that addresses these latest trends and provides case studies of successful partnerships *Material History Review*, 1991 **Atlantic Hearth** Mary Byers, Margaret McBurney, 1994 **The Surface of Meaning** Robert Bringhurst, 2008 The design and manufacture of books can tell as much about a people or a culture as the ambience of its streets and the architecture of its buildings In our everyday lives books surround us even if we are among the many who never read another one after high school Their very jacket design asks us to make meaning of their presence and when we open them the layout of words and stories within their covers makes us readers even before we begin to read To Robert Bringhurst typographer poet and writer the presence of books and the story of books in Canada are preludes to understanding our culture From the tattered book of Canadian poetry your moody cousin carried everywhere to the pristine hardcover book of Atwood's latest work in your brainy co worker's hands book design says much about who and where we are as Canadians In *The Surface of Meaning* Robert Bringhurst takes us on another of his walking tours this time through the bramble of English and French Canadian books and book design from the mid 18th Century to the present day Along the way he discovers a true image trove

of identity culture and history And he does what no other work on books and publications does He creates a truly national survey of Canadian books by bringing Canada s long history of Aboriginal story telling into a context of book It is a context that goes into the depths of our prehistory far beyond the printed page The Surface of Meaning is a tribute to Canadian books and publishing It is irresistible to readers who love books as well as to designers and others who may simply prefer to look at them **Canadiana** ,1991 **Canadian Book Review Annual** ,1990 *Cousins Des Amériques* Patrick Binet,1998 **Nova Scotia Historical Review** ,1990 **Time Travel** Alan Gordon,2016-04-15 In the 1960s Canadians could step through time to eighteenth century trading posts or nineteenth century pioneer towns These living history museums promised authentic reconstructions of the past but as Time Travel shows they revealed more about mid twentieth century interests and perceptions of history than they reflected historical fact An appetite for commercial tourism led to the rise of living history museums They became important components of economic growth especially as part of government policy to promote regional economic diversity and employment Alan Gordon explores how these museums were shaped by post war pressures personality conflicts funding challenges and the need to balance education and entertainment Ultimately the rise of the living history museum is linked to the struggle to establish a pan Canadian identity in the context of multiculturalism competing anglophone and francophone nationalisms First Nations resistance and the growth of the state
