Maurice Emery,2003-09 A degree of interest in pioneering the West of any locality in which one lives is enviable As time passes more interest is therefore attached to it Hopefully it will awaken old timers and those descended from Pioneer stock Determination and untiring efforts put forth by Pilgrim Fathers who desired to find a better way of life This book offers no fiction from a religious or scientific standpoint nor in poise of a hero or self praise It is simple in style and diction The conclusion brings the closing incidents down to a recent date and finishes in brief the biography of Maurice Graves Emery Memories and imagination are great contributors to personal values and consideration for humankind This story is about a long life of more than eighty six years *Starting Monday* Karen,2013-10-21 Starting Monday is based on the simple

premise that when our behaviors don t align with our expressed intentions we ve got a conflict going on often outside of our awareness The book helps readers dig deeply into their psyches to figure out what mistaken beliefs and needless fears are holding them back from achieving their health and fitness goals The polarized feelings for disregulated eaters to identify and resolve fall within these 7 key areas 1 create lasting change 2 making conscious choices 3 feel deserving 4 how to comfort themselves 5 know what s enough 6 manage intimacy and 7 developing a healthy identity Starting Monday first helps readers unearth their mixed feelings in these seven areas then teaches them how to change their beliefs and behaviors to resolve them Using humor plain talk examples from her clinical experience reflection exercises case studies and homework Koenig lets troubled eaters know that their yo yo patterns of eating and self care are due to conflicts She shies away from easy answers and instead provides hope and concrete actions to developing a permanent positive relationship with food

Strippers, Showgirls, and Sharks Peter Filichia,2013-05-28 Wait Gypsy didn t win the Tony for Best Musical That s a question that gets asked over and over again every time a new Rose takes to the runway in the Broadway classic Gypsy In Strippers Showgirls and Sharks the popular syndicated theatre critic Peter Filichia chronicles the history of the American musical by looking at those shows that did not win the Tony Award for Best Musical It happens every spring The American Theatre Wing bestows its annual awards Only those shows that have reached Broadway are nominated and while all Tony Awards are created equal in height width and depth the universally acknowledged biggest prize is the Best Musical Tony The envelope is opened The winner is announced and then the screeching begins Oh no They gave it to that Did the best musical

always win the Best Musical prize Were there other factors that kept a more deserving show from copping the prize Peter Filichia answers all these questions and more in *Strippers Showgirls and Sharks* as he looks at many of the 153 previous Best Musical Nominees that didn't win the big prize What were the biggest omissions Gypsy had the distinct displeasure of not being either the first or second choice of the committee In 1959 when Ethel Merman and a variety of strippers took the stage the Tony for Best Musical was a tie between *The Sound of Music* and *Fiorello* In 1971 Stephen Sondheim's *Follies* and its ghostly showgirls lost to a groovy re-tuning of *Two Gentlemen of Verona* that hasn't passed the test of time And in 1957 *West Side Story* its Jets and Sharks were bested by the fine people of River City Iowa singing their Americana hearts out in *The Music Man* If you love Broadway scratch your head on Tony Award night and still can't figure out how a show you loathed won the Tony for Best Musical you will love riding through the years with Peter Filichia one of America's most respected and popular theatre critics

Princesses on the Wards Coryne Hall, 2014-09-01 Queens and princesses have always shown care and compassion but many went much further They were not afraid to roll up their sleeves work in wards or help in field hospitals and operating theatres despite their sheltered upbringings Through wars and revolutions across Europe their experiences were similar to those of thousands of other nurses but this is the first time that their involvement in nursing and the extent of their influence on the profession has been detailed in full Beginning with two daughters of Queen Victoria Princess Alice and Princess Helena *Princesses on the Wards* looks at the difficulties these royals faced while carving a worthwhile role in an age when the place of a well-born woman was considered to be in the home Empress Alexandra of Russia Queen Marie of Romania Princess Marina Duchess of Kent and Princess Alice of Greece mother of the Duke of Edinburgh were just a few of Queen Victoria's relatives who set an example of service well beyond that considered necessary for their rank Not all of them were fully trained nurses but each made a positive contribution towards alleviating suffering which cannot be overestimated
