Commerce, 1975 **The Majesty of the Garden District** Lee Malone, 1998-06-30 Under a canopy of magnolias and live oaks bordered by the streets of Jackson Magazine Louisiana and St Charles spacious mansions serve as a gallery of fine architecture in a section of New Orleans known as the Garden District Once home to a grand plantation the property was sold and divided for residential use more than 150 years ago In his final work critically acclaimed photographer Paul Malone visits forty three picturesque landmarks of the Garden District With historical text provided by his wife Lee Malone *The Majesty of the Garden District* displays these remarkable homes inside and out with an emphasis on the gracefully decorated interiors These brilliant full color photographs capture the history design and grandeur of this New Orleans neighborhood Among the buildings in this collection are notable homes ranging from Toby's Corner believed to be the oldest house in the district to the Edward Davis house which is now more commonly known as the headquarters of the New Orleans Opera Association's Women's Guild The Malones even veer from the usual architectural features to focus on some unusual characteristics of the borough such as Christ Church Cathedral Lafayette Cemetery No 1 and the world famous Commander's Palace restaurant *Southern Rural Almanac, and Plantation and Garden Calendar* Thomas Affleck, 1851 [The Garden Magazine](#), 1906

One Writer's Garden Susan Haltom, Jane Roy Brown, 2011-09-08 By the time she reached her late twenties Eudora Welty 1909-2001 was launching a distinguished literary career She was also becoming a capable gardener under the tutelage of her mother Chestina Welty who designed their modest garden in Jackson Mississippi From the beginning Eudora wove images of southern flora and gardens into her writing yet few outside her personal circle knew that the images were drawn directly from her passionate connection to and abiding knowledge of her own garden Near the end of

her life Welty still resided in her parents house but the garden and the friends who remembered it had all but vanished When a local garden designer offered to help bring it back Welty began remembering the flowers that had grown in what she called my mother s garden By the time Welty died that gardener Susan Haltom was leading a historic restoration When Welty s private papers were released several years after her death they confirmed that the writer had sought both inspiration and a creative outlet there This book contains many previously unpublished writings including literary passages and excerpts from Welty s private correspondence about the garden The authors of *One Writer s Garden* also draw connections between Welty s gardening and her writing They show how the garden echoed the prevailing style of Welty s mother s generation which in turn mirrored wider trends in American life Progressive era optimism a rising middle class prosperity new technology women s clubs garden clubs streetcar suburbs civic beautification conservation plant introductions and garden writing The authors illustrate this garden s history and the broader story of how American gardens evolved in the early twentieth century with images from contemporary garden literature seed catalogs and advertisements as well as unique historic photographs Noted landscape photographer Langdon Clay captures the restored garden through the seasons
