Baildam, 1999-01-01 This is the first comprehensive study of Herder's preoccupation with the Song of Songs Baildam considers the importance of this poetry in his thinking and examines his commentaries and translations of 1776 and 1778 Despite Herder's claims to the contrary his own cultural position is revealed in his translations and in his unique interpretation of the work as the voice of pure paradisal love Starting with Herder's interest in the Song of Songs between 1765 and 1778 this book sets his reflections in the wider context of his relativistic views on the nature of poetry contemporary German culture and the importance of primitive poetry in general and the poetry of the Bible in particular Then Baildam looks at current literary critical theories with implications for Herder's translations of these *Lieder der Liebe* and discusses Herder's theories of language and translation in comparison with German translation theories Herder's reading of the Song as the most primitive natural and sublime example of Hebrew poetry is placed in the context of earlier and contemporary interpretations his opinion of which is examined In the last part of the book there is an appraisal first of Herder's commentaries themselves analysing how the details reflect his overall concept

of the work and then of his translations comparing them with each other with the Lutheran text to which Herder ultimately directed his readership and with the Hebrew text A concluding chapter reviews the reception of Herder's work and three appendices offer a parallel presentation of Herder's translations of 1776 and 1778 Luther's translation of 1545 and Goethe's translation of 1775

Boring goes on to explore the historical foundation and formation of the New Testament within the context of pre-Christian Judaism and the world of Jesus and the early church. He then examines the individual books of the New Testament, providing helpful background information and methods for interpretation and revealing the narrative substructure found within each of the Gospels and Letters. My Love Affairs with Life Ann Tremaine Linthorst, 2012-03 Devastated by the death of Jan, her husband of thirty-seven years, author Ann Tremaine Linthorst felt compelled to find a fresh sense of the meaning of her own life. A longing for a new love affair surprisingly launched her on an inward journey through her past. She found her many life adventures recast as spiritual epiphanies. In *My Love Affairs with Life: A Spiritual Memoir*, Linthorst takes us along on her daily nature walks, her year of seminary study in Scotland, and a family pilgrimage to medieval English cathedrals. She shares seminal insights from novels by C.S. Lewis and Charles Williams and the poetry of Mary Oliver. Linthorst introduces us to the spiritual teachers who brought healing and transformation and opens up about the funny and painful romance that led to her marriage to Jan, a Jesuit priest from Holland. Throughout *My Love Affairs with Life: A Spiritual Memoir*, Linthorst allows herself to be shown where God has consistently met her in beauty and love. Enter into the very process of spiritual self-discovery and find a fresh perspective on your own life story. Poems of Love and War A. K. Ramanujan, 2011 10 13 2010 10 13 2010
