Astonished A Story of Healing and Finding Grace Happy endings abound in this novel about the power of love and friendship
 Kirkus Reviews A compelling mix of story lines Plenty of good banter and characterization Publishers Weekly Love in a Broken Vessel (Treasures of His Love Book #3) Mesu Andrews,2013-03-01 Hosea has been charged by God with a difficult task marry a prostitute in order to show God s people the nature and depth of his love for Israel When Hosea goes to Israel to proclaim God s message the prostitute God tells him to marry turns out to be his childhood friend Gomer He finds her broken and abused unwilling to trust Hosea or his God But when marrying Hosea becomes her only choice Gomer does what she s good at she survives Can Hosea s love for God and God s love for Israel heal Gomer s broken spirit With her potent combination of in depth research and masterful storytelling Mesu Andrews brings to life a complex and fascinating biblical story of the power of love and forgiveness in the face of utter betrayal **In the Shadow of Jezebel (Treasures of His Love Book #4)** Mesu Andrews,2014-03-04 Princess Jehosheba wants nothing more than to please the harsh and demanding Queen Athaliah daughter of the notorious Queen Jezebel Her work as a priestess in the temple of Baal seems to do the trick But when a mysterious letter from the dead prophet Elijah predicts doom for the royal household Jehosheba realizes that the dark arts she practices reach beyond the realm of earthly governments To further Athaliah and Jezebel s strategies she is forced to marry Yahweh s high priest and enters the unfamiliar world of Yahweh s temple Can her new husband show her the truth and love she craves And can Jehosheba overcome her fear and save the family and the nation she loves With deft skill Mesu Andrews brings Old Testament passages to life revealing a fascinating story of the power of unconditional love The Social History of Art: Rococo, classicism and romanticism Arnold Hauser,1999 Presents an account of the development and meaning of art from its origins in the Stone Age through to the Film Age **Ian McEwan's Enduring Love** Peter Childs,2007-01-24 Renowned author Peter Childs explores the intricacies of Ian McEwan s haunting novel providing a guide to the wealth of contextual and critical material that surrounds it *Cures for Love* Stendhal,2007 Stendhal believed love comes in different forms from passion and lust to vanity the love of possessive desire In this collection he muses on falling in love how to cope with jealousy and whether infatuation can ever be overcome and provides a selection of maxims giving advice for lovers United by the theme of love the writings in the Great Loves series span over two thousand years and vastly different worlds Readers will be introduced to love s endlessly fascinating possibilities and extremities romantic love platonic love erotic love gay love virginal love adulterous love parental love filial love nostalgic love unrequited love illicit love not to mention lost love twisted and obsessional love *Dirty Love* Tim Whitmarsh,2018-04-02 Some of the world s earliest large form fictional narratives what would today be called novels are found in ancient Greece Dating back to the first century CE these narratives contain many of the elements common to the novelistic genre for instance the joining separation and reunion of two lovers These ancient works have often been heralded as the ancestors of the modern novel but what can we say of the origins of the Greek novel itself This book argues that whereas much of Greek literature was committed to a form of cultural

purism presenting itself as part of a continuous tradition reaching back to the founding fathers within the tradition the novel revealed in cultural hybridity The earliest Greek novelistic literature combined Greek and non Greek traditions More than this however it also often self consciously explored its own hybridity by focusing on stories of cultural hybridization or what we would now call mixed race relations This book is thus not a conventional account of the origins of the Greek novel it is not an attempt to pinpoint the moment of invention and to trace its subsequent development in a straight line Rather it makes a virtue of the murkiness or dirtiness of the origins of the novel there is no single point of creation no pure tradition only transgression and transformation The novel thus emerges as an outlier within the Greek literary corpus a form of literature written in Greek but not always committing to Greek cultural identity Dirty Love focuses particularly on the relationship between Persian Egyptian Jewish and Greek literature and explores such texts as Ctesias Persica Joseph and Aseneth the Alexander Romance and the tale of Ninus and Semiramis It will appeal not only to those interested in Greek literary history but also to readers of near eastern and biblical literature
