Love Calendar The Secrets Of Love:

Love's Calendar Charles Fenno Hoffman, 1848 *Love Calendar* Peggy Rudd Thorne, 1993 Femme Mirror Virginia Prince, 1998 *The Book of Love* Elsa Barker, 1912 Love's Secret Fire Rena Koontz, 2012-09-24

The biggest story of reporter Valerie Daniels's career could be the one that kills her. A part-time news reporter, Valerie is determined to prove her twin brother is not responsible for the rash of suspicious fires in Benton Falls despite all the evidence that leads undercover investigator Adam Michaels to believe he's caught his arsonist. Valerie's brother Adam Michaels relies on the facts when he is working a case, but on this one, his instincts and his heart tell him there is more behind this story. And there's a lot more he wants to know about Valerie Daniels, a woman who makes no bones about the fact she doesn't like him or what he's doing to her brother. Arson turns to murder, and sparks fly between Adam and Valerie. But the real arsonist has his own ideas about the heat between these two. To defeat the killer and his deadly trap, they must learn to trust each other.

The Secret Place John Chipley, 2011-03

So at about the age of twelve when most boys do what they are told NOT to do, B J went into the woods. From that day on, his life was never the same. This is more than just another book; this is our son's secret journal that we found years after we'd years after he disappeared. These are his words. This is his story. The following was written on the first page of his journal: As I start my story, I cannot tell you my name or where I live or anything that might disclose who I am. I can, however, tell you one thing: when I was a baby, my grandpa called me B J. When our son was growing up, none of the children were allowed to go into the woods behind our house. Two boys disappeared in the woods over ten years ago and were never found. Not a trace. I think this is why B J had to go into the woods. He had to see for himself what was there. What he found was another world. It was a world that he writes about in his journal. He writes about an old lady called Mowmow. He writes about his best friends LaCharles and Lizzy. He writes about a pond that is deep in the woods and what he discovered on the other side of the pond. He writes about love, fear, death, and God. I left the pages of this book basically untouched so you will find some misspelled words and incorrect grammar. However, I didn't want to change one word of what B J wrote. Every word is a clue as to what happened to him or where he might be. When you finish reading his journal entries, maybe you will understand. Maybe you can help us find B J. The sketches in this book have been redrawn. However, the original sketches made by B J are
