Argumentation, Communication, and Fallacies Frans H. van Eemeren, Rob Grootendorst, 2016-07-22 This volume gives a theoretical account of the problem of analyzing and evaluating argumentative discourse After placing argumentation in a communicative perspective and then discussing the fallacies that occur when certain rules of communication are violated the authors offer an alternative to both the linguistically inspired descriptive and logically inspired normative approaches to argumentation The authors characterize argumentation as a complex speech act in a critical discussion aimed at resolving a difference of opinion The various stages of a critical discussion are outlined and the communicative and interactional aspects of the speech acts performed in resolving a simple or complex dispute are discussed After dealing with crucial aspects of analysis and linking the evaluation of argumentative discourse to the analysis the authors identify the fallacies that can occur at various stages of discussion Their general aim is to elucidate their own pragma dialectical perspective on the analysis and evaluation of argumentative discourse bringing together pragmatic insight concerning speech acts and dialectical insight concerning critical discussion

Masculinities *The Other Side of Communication* Jean Vautoir Paul, 2022-06-01. I Jean Vautoir Paul was born in Jérémie, Haiti. My mother, two sisters, and I went to Port-au-Prince, the capital of Haiti, on the invitation of our aunt Edele. She introduced us to Ms Eleanor Louise Snare, a white American lady who adopted our orphan cousin Jean-François Snare, who really needed a mom or a dad at that time. She raised us as a big happy family. Those three women had inculcated in us the best moral principles ever. Ms Snare couldn't afford to send us to college, so with only my high school diploma, I went to teach English. After a few years, I was blessed to run my own English school, One Way English School, in Thomassin. In 1999, I left for Philadelphia, and in 2014, I left for Florida and settled here since I always dreamed to make a difference in other people's lives. Therefore, on a day-by-day basis, I do my research so I can become a professional writer to bring change, hope, love, understanding, wisdom, compassion, and respect in the lives of so many who need and deserve it. Hopefully, my books do just that so I can form better people, children, societies, and families for a better world. I take pleasure in writing. It's my life. Read my books and get addicted to doing the right thing.
