Souls in Love... Madly. Truly. Badal Verma, 2022-08-20 Souls in Love Madly Truly is a love story that transcends time

The book is premised on the imagination that everything is connected and everything that once lived lives on forever in the eternity of time The spinning wheel turns round and round in a circle One fate is tied to the next The thread red like blood cleaves together all our deeds One cannot unravel the knots but they can be severed Someone severed the knot of the protagonists with a sharp blade Yet something remained behind that could not be severed an invisible bond The bond is held together by a love that admits to hierarchical needs and is a subject of souls Love evolves with time and reaches an intermediate stage where souls fall in love and identical souls yearn to reunite much before the bodies meet each other The story of Souls in Love is a small part of the journey of love that is experienced by Rahul and Saral in their present life felt in a future life as Param and Sneha and again experienced in the next life where their identical souls reunite as Abhay and Nusrat in most unlikely circumstances When they do so they feel the bond of love from their past lives The Creator communes with them through dreams imagination intuition hope longing and love to make them aware of such a bond between them But there is no way of knowing that ever Rahul and Saral or Param and Sneha or for that matter Abhay and Nusrat are just the names The choice of couple and or names are immaterial because souls are experiencing love through the bodies In that sense mythology defines every couple as cloud and rain that is Badal and Varsha Mishmi Verma Rao **Love & Light**

Clayten Tylor,2017-05-20 This book examines Swedenborg s spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth **My Heartfelt Love Poems**

Shanae Jones,2014-12-30 In my way of my heart I thought that this would be the time to show the way I love poetry so much so I decided to write an all poetry book with love sonnets This book expresses my love that I have inside of me The love that I want to give and have Some are dark inspiring funny and memorable I speak in the words that my heart felt and that my mind could express Some poems are even fictional but all from my heart So please let this book touch your heart like my heart felt when she poured out **The Secret Within**

Wolfgang Riehle,2014-02-07 Spiritual seekers throughout history have sought illumination through solitary contemplation In the Christian tradition medieval England stands out for its remarkable array of hermits recluses and spiritual outsiders from Cuthbert Godric of Fichale and Christina of Markyate to Richard Rolle Julian of Norwich and Margery Kempe In The Secret Within Wolfgang Riehle offers the first comprehensive history of English medieval mysticism in decades one that will appeal

to anyone fascinated by mysticism as a phenomenon of religious life In considering the origins and evolution of the English mystical tradition Riehle begins in the twelfth century with the revival of eremitical mysticism and the early growth of the Cistercian Order in the British Isles He then focuses in depth on the great mystics of the fourteenth and fifteenth centuries Richard Rolle the first great English mystic the author of *The Cloud of Unknowing* Walter Hilton Margery Kempe and Julian of Norwich Riehle carefully grounds his narrative in the broader spiritual landscape of the Middle Ages pointing out both prior influences dating back to Late Antiquity and corresponding developments in mysticism and theology on the Continent He discusses the problem of possible differences between male and female spirituality and the movement of popularizing mysticism in the late Middle Ages Filled with fresh insights *The Secret Within* will be welcomed especially by teachers and students of medieval literature as well as by those engaged in historical theological philosophical cultural even anthropological and comparative studies of mysticism

Letters to Lelia Francis Rosenfeld, 2015-05-12 Never forget my dear child that life is made of days and no matter how many days you were gifted with you should strive to enjoy every single one of them When you have given your love and attention to your family and friends it will still be overflowing so pay attention to the ideals you care about to the people whose needs call out to you to the human race to the universe itself Energy spent in activities that don't touch your soul is wasted and those activities will drag along for a while only to be abandoned when the first justification presents itself When you put your heart into something you love however not a single obstacle can ever stand against it It may not always be easy but you can't let go of it because it is a part of who you are your purpose *Letters to Lelia* Chapter Twenty Four Love Always

Written in the form of satire this tragic story begins with a false report of two signal flares fired by a class enemy in a small town in South China during Mao Zedong's Cultural Revolution From 1966 to 1976 a haze of persecution confusion and hate befell China The so called class enemies were paraded through the streets and schools were closed Domestic calamities went head to head with political rebellions while spies ran rampant and property was cruelly confiscated There was an eventual fight for power as brothers mistreated brothers wives were stolen and families murdered Now decades later these silenced voices are remembered in order to avoid the repetition of history *A Decade of Nightmares* reminds us of what is true good and beautiful

but also what is false evil and ugly This book dissects the soul of a nation from a historical cross section It calls for the return of dignity and reveals the brutal persecution of the soul From the vicissitudes of fate we see clearly the extent and depth of the devastation caused by a decade of disaster **Love in the Hills** Fanny Emily Penny,1913 Love's Labour's Lost William Shakespeare,John Dover Wilson,1923 Love s Labour s Lost now recognized as one of the most delightful and stageworthy of Shakespeare s comedies came into its own both on the stage and in critical esteem only during the 1930s and 1940s after nearly three hundred years of neglect by the theater and misuse by critics
