

City

(Life, Lights, & Love)

The cars roar by in endless streams,
A modern jungle's nightly themes.
Skyscrapers kiss the evening sky,
Where neon dreams are hung up high.

The people rush in hurried beats,
On crowded trams and busy streets.
A blend of wills, a clash of sights,
In days of sun and neon nights.

A city's pulse in every vein,
Each whisper, shout, and distant train.
A symphony in steel and stone,
Where every soul may find its tone.

Love In A Proper City:

The city banker; or, Love and money. By the author of 'Whitefriars'. Emma Robinson, 1856 **A Guide to the Holy City. Or, directions and helps to an holy life, etc** John Reading, 1651 **The City of God** St. Augustine of Hippo, 2012 This volume is accurately annotated including an extensive biography of the author and his life working interactive footnotes De Civitate Dei full title De Civitate Dei contra Paganos translated in English as The City of God is a book of Christian philosophy written in Latin by Augustine of Hippo in the early 5th century AD It is one of Augustine's major works standing alongside his The Confessions On Christian Doctrine and On the Trinity Augustine is considered the most influential Father of the Church in Western Christianity and The City of God profoundly shaped Western civilization Augustine wrote the treatise to explain Christianity's relationship with competing religions and philosophies as well as its relationship with the Roman government with which it was increasingly intertwined It was written soon after Rome was sacked by the Visigoths in 410 This event left Romans in a deep state of shock and many saw it as punishment for abandoning traditional Roman religion for Catholic Christianity It was in this atmosphere that Augustine set out to console Christians writing that even if the earthly rule of the Empire was imperiled it was the City of God that would ultimately triumph Augustine's eyes were fixed on Heaven a theme of many Christian works of Late Antiquity from wikipedia.com **Selected Philosophical Writings** Saint Thomas (Aquinas), 1998 St Thomas Aquinas 1225-1274 saw religion as part of the natural human propensity to worship His ability to recognize the naturalness of this phenomenon and simultaneously to go beyond it to explore spiritual revelation makes his work fresh and highly readable today While drawing on a strong distinction between theology and philosophy Aquinas interleaved them intricately in his writings which range from an examination of the structures of thought to the concept of God as the end of all things This accessible new translation chooses substantial passages not only from the indispensable Summa Theologiae but from many other works fully illustrating the breadth and progression of Aquinas's philosophy **Digging in the City of Brotherly Love** Rebecca Yamin, 2023-09-08 This archaeological investigation into eighteenth and nineteenth century Philadelphia includes updates and three new chapters covering recent developments recognition of unmarked African American and other burial grounds discoveries in the path of Interstate 95 construction and findings from the excavation of the site of the Museum of the American Revolution **More Than a Labour of Love** Meg Luxton, 1980 Originally published in 1980 this new edition of More Than a Labour of Love is the first of our Women's Press Classics series which celebrates our most enduring titles Based on participant observation and in depth interviews this book describes the work women do in their homes caring for children and partners and maintaining the house It shows how their lives are shaped by domestic responsibilities and challenges the ways in which their work is neither recognized nor valued Arguing that the work they do is socially necessary and central to the economy it calls for a transformation of current social and economic relations *History of Political Philosophy* Leo Strauss, Joseph

Cropsey,2012-06-15 Designed for undergraduate students a historical survey of the most important political philosophers in the Western tradition This volume provides an unequaled introduction to the thought of chief contributors to the Western tradition of political philosophy from classical Greek antiquity to the twentieth century Written by specialists on the various philosophers this third edition has been expanded significantly to include both new and revised essays

Sex and Love in Porfirian Mexico City Michael Matthews,2025-05-06 Exploring the sexual lives of the poor and working class in turn of the century Mexico This social history explores the romantic and sexual lives of the poor and working class in Mexico City during the rule of dictator Porfirio D az from 1876 to 1911 By analyzing sexually based crime cases and stories in the penny press Michael Matthews sheds light on everyday struggles joys and desires Matthews argues that lower class individuals had more liberated sexual lives than their wealthier counterparts influenced by the city s growth and cultural changes In this book Matthews examines how Mexico City s expanding infrastructure increasing factory work and new leisure and entertainment activities shaped courtship and sexual practices He delves into the world of tenement buildings and street life to reconstruct days defined by love and desire romance and rape seduction and sex work and promises kept and broken Matthews connects the sexual culture of the poor to the changes taking place as the Mexican state modernized and underwent tremendous capitalist growth and development *Sex and Love in Porfirian Mexico City* provides insights into how social and economic developments shaped cultural norms surrounding honor marriage morality and parental authority during this period It will spur new reflections on the possible influence of lower class culture on modern day romance and sexual values

Political Theory Scott John Hammond,2008-11-30 Liberty Justice Nature Law First formulated millennia ago by the founding philosophers of the Western tradition these basic concepts of human thought remain central to our conception of ourselves our place in the world and our relationships with others that is our politics Readers encountering such broad political concepts their practical expressions in political movements and systems of government the ideas of influential ancient and modern political thinkers or simply familiar or unfamiliar catchphrases for which they would like a succinct yet informative explanation will welcome this accessible encyclopedic guide The major political concepts themes issues movements groups and schools that have developed over time and shaped our modern world appear here in all their diversity along with biographical entries and articles on the principal works of political theorists from Plato to John Rawls Further serious students and browsers alike will delight in the numerous entries on familiar quotations and political catchphrases from the banality of evil and Big Brother to the war of all against all

The Way to Love Matt Boswell, 2018-09-04 Love people An oft proclaimed rallying cry for Christians but what does it look like in practice to love We may believe that love is the greatest 1 Cor 13 13 Love may be our destination But do we know how to get there This book addresses essential questions about the Christian life What is a true compelling and helpful Christian understanding of love What is spiritual growth supposed to do to us or for us or for others through us How can we speak of grace and personal initiative in one theological vision How do we go beyond a spirituality that is either too privatized and insular or too activist without the undergirding character needed to sustain such activism How do we ensure love is not simply a principle we hold or a slogan we applaud but a powerful force that perpetually grows in us and ripples out to others in concrete transformative ways This book is a guide to love Drawing on virtue ethics psychology theology and spirituality it offers a love centered hopeful vision of the Christian spiritual life The story in which God invites us to live is about a journey of love toward love Is this your story

The Mystical City of God Mary of Agreda, At thirty five Mary Agreda began her Mystical City of God which was the fruit of her daily meditations and rapt states of contemplation When this work appeared it was hailed with almost unanimous applause by the bishops of Spain The Spanish Inquisition always rigid in its censorship regarded it as almost if not wholly of divine revelation The Sorbonne at Paris held thirty two stances in which five hundred and fifty doctors discussed its merits but finally condemned it with true national hostility to Spain At Rome it was indeed placed on the Index but was removed shortly after by command of the pope himself some say at the solicitation of the King of Spain Though no formal approbation has ever been given to the work Pope Alexander VIII authorized its circulation and Clement IX forbade its being placed on the Index Its discussion however has delayed the process for the canonization of its author though no one ever doubted her sincerity her earnest convictions and the saintliness of her character In it she displays a mind thoroughly imbued with the religious spirit and though without education strictly speaking shows a knowledge of Scripture a depth of theological learning and a correctness of scholastic terms that are truly surprising The style is dignified and yet easy and some of her descriptions have a certain grandeur as in
