The Complete Works of C. H. Spurgeon, Volume 42 Charles, Spurgeon H., Volume 42 Sermons 2446 2497 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature

Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon's legacy continues to

effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon **Song of Songs: One in the King** James Brittain,2017-07-04 It is said that a person can be so heavenly minded that they are no earthly use What a false statement We are told in Revelation 11 19 of a time when the temple of God will open in heaven and that the ark of His covenant will be seen in His temple At that time the whole earth will be affected The Song of Songs instructs us how to achieve this worthy goal May we all be so heavenly minded that we become useful on earth **A Description of a Gospel Church: with two epistles [each signed: R. Kottman,2017-05-30 Rather than see love as a natural form of affection Love As Human Freedom sees love as a practice that changes over time through which new social realities are brought into being Love brings about and helps us to explain immense social historical shifts from the rise of

feminism and the emergence of bourgeois family life to the struggles for abortion rights and birth control and the erosion of a gender based division of labor Drawing on Hegel Paul A Kottman argues that love generates and explains expanded possibilities for freely lived lives Through keen interpretations of the best known philosophical and literary depictions of its topic including Shakespeare Plato Nietzsche Ovid Flaubert and Tolstoy his book treats love as a fundamental way that we humans make sense of temporal change especially the inevitability of death and the propagation of life *Christian Armor* David C. Bellusci,2024-04-02 The Rosary signifies prayer a form of daily prayer and meditation for millions of Roman Catholics across the world and has been for centuries The Rosary unites the followers of Christ as one family in a common faith baptism and Lord The power of the Rosary stems not only from the intercession of the Mother of our Savior but each of the twenty mysteries finds its source in the Bible The truth of the word of God teaches us not only that the Father sent his Son to save us from our sins so we may have eternal life but also how we live our communion with Christ through our daily choices The Rosary and the Bible lead us to Jesus Christ the Scriptures point to Jesus and Jesus is at the very center of the Rosary And so the Rosary and the Bible provide us with the armor we need to help us in combat against Satan s deceptions lies and attacks To know the truth we need the word of God and to live in truth Jesus gives us his mother at the cross This is your mother We need the grace of God Mary s intercession and the word of God in spiritual combat ??? ??????
