this It covers care giving from the womb all the way to when the child is ready to leave home Inside you ll find well researched facts revelatory tips active practices to apply and a huge array of examples processes and procedures on how to be the parent you want to be What s more it s a set of guidelines and tools you can give to any of your child s caregivers as a manual to follow on how you d like your children to be raised when you re not around In the style of the old computer manuals in which a table of contents shows you where to look for what you need The Practice of Parenting is a one stop shop to help parents and caregivers resolve the myriad of issues they will encounter in child care while providing a multitude of ways to help them cope For bulk sales and interest please see www.practiceofparentingmanual.com

The Anti Stupidity Book Duane L. Ostler,2016-04-26 Stupidity What is it Is it just something we see our neighbors and members of the opposite political party do Or is it something more Why does it seem to be so universal Are there fundamentals of stupidity that can be recognized These are the questions discussed in this book It presents six fundamentals of stupidity that lead to the stupid choices that we see all around us Included among these are the belief that there are no moral values that God does not exist and that it is acceptable to become addicted and to treat others badly and be proud In the end we see that the only sure way to avoid the fundamentals of stupidity is through the saving power of Jesus Christ
