

A Walk with You

By 365poetrydays.com

I use to call you my knight in shining armor,
For you have rescued my weeping heart in bitter fervor,
My hero in the darkest hours of my loneliness,
And broke the shackles of my melancholic distress.

I've been walking this road for several years,
Passed the curves in the shadow of my fears,
Then you held my hand as I took a step,
And together we danced for a blissful leap.

You held me in your arms like there's no tomorrow,
Your smiles have been the antidote of my sorrows,
No longer afraid to surpass a crossroad's uncertainties,
You taught me to drop off my insecurities.

There must've been someone else better for you,
But you define "ME" as the best one for "You",
No longer "I" but "We" is the promise we formulated,
A perpetual journey together is what we have created.

I look behind not with bitter regrets,
For my feet landed me to your memoirs I dare not forget,
We have reached this point with this love so true,
I'd be glad to walk an extra mile with you.

Moramarco, Al Zolynas, 2004 Alive with the wisdom artistry and emotion of more than 250 poets from nearly one hundred countries this anthology celebrates the multifaceted experience of contemporary manhood The lives into which these poems invite us reveal the influences of culture heredity personal experience values beliefs wishes desires loves and betrayals Men are notoriously reluctant to open up and discuss these things and yet when they do as in these poems they tell us about their families lovers relationships political and religious beliefs sexuality and childhoods There is much to learn here about who men are and how they see their worlds Collects close to three hundred poems in English or English translation by more than 250 poets Nearly one hundred countries are represented from Asia the Middle East Europe Africa South America Central America and the Caribbean North America and Oceania including Australia and New Zealand Organized in topical sections Boyhood and Youth Families Identities Cultural Personal Male Men and Women Myth Archetypes and Spirituality Politics War and Revolution Sex and Sexuality Poets and Poetry Artists and Art Brothers Friends Mentors and Rivals Work Sports and Games Aging Illness and Death Ottoman Lyric Poetry Walter G. Andrews, Najaat Black, Mehmet Kalpakli, 2011-10-01 The Ottoman Empire was one of the most significant forces in world history and yet little attention is paid to its rich cultural life For the people of the Ottoman Empire lyrical poetry was the most prized literary activity People from all walks of life aspired to be poets Ottoman poetry was highly complex and sophisticated and was used to express all manner of things from feelings of love to a plea for employment This collection offers free verse translations of 75 lyric poems from the mid fourteenth to the early twentieth centuries along with the Ottoman Turkish texts and new to this expanded edition photographs of printed lithographed and hand written Ottoman script versions of several of the texts a bonus for those studying Ottoman Turkish Biographies of the poets and background information on Ottoman history and literature complete the volume *Poetry* Bernard O'Donoghue, 2019-09-26 Poetry arguably has a greater range of conceptual meaning than perhaps any other term in English At the most basic level everyone can recognise it it is a kind of literature that uses special linguistic devices of organization and expression for aesthetic effect However far grander claims have been made for poetry than this such as Shelley's that the poets are the unacknowledged legislators of the world and that poetry is a higher truth In this Very Short Introduction Bernard O Donoghue provides a fascinating look at the many different forms of writing which have been called poetry from the Greeks to the present day As well as questioning what poetry is he asks what poetry is for and considers contemporary debates on its value Is there a universality to poetry And does it have a duty of public utility and responsibility ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Harmony Garden* J. D. Schmidt, 2013-12-16 This is the first complete

study of China's most popular eighteenth century poet in any Western language The work consists of a detailed biography a study of Yuan's revolutionary reinterpretation of Chinese literary theory and an analysis of his many contributions to the more original genres of Qing dynasty 1644-1911 poetry such as narrative historical didactic eccentric and nature verse The study is concluded by a generous and representative sampling of Yuan's poetry in translation the first to do justice to the wide variety and richness of his oeuvre Although many shorter poems are selected this is the first translation to include his outstanding longer poetry Harmony Garden will completely revise current attitudes in the west concerning classical Chinese literature during the eighteenth century a period that was long viewed as one of decline but now appears to equal the golden ages of antiquity

The Feminist Encyclopedia of Italian Literature Rinaldina Russell, 1997-07-16 Over the last 20 years there has been an increasing interest in feminist views of the Italian literary tradition While feminist theory and methodology have been accepted by the academic community in the U.S. the situation is very different in Italy where such work has been done largely outside the academy Among nonspecialists knowledge of feminist approaches to Italian literature and even of the existence of Italian women writers remains scant This reference work the first of its kind on Italian literature is a companion volume for all who wish to investigate Italian literary culture and writings both by women and by men in light of feminist theory Included are alphabetically arranged entries for authors schools movements genres and forms figures and types and similar topics related to Italian literature from the Middle Ages to the present Each entry is written by an expert contributor and summarizes feminist thought on the subject Entries provide brief bibliographies and the volume concludes with a selected general bibliography of major studies This volume covers eight centuries of Italian literature from the Middle Ages to the present Included are entries for major canonical male authors such as Dante Petrarch and Boccaccio as well as for female writers such as Lucrezia Marinella and Gianna Manzini These entries discuss how the authors have shaped the image of women in Italian literature and how feminist criticism has responded to their works Entries are also provided for various schools and movements such as deconstruction Marxism and new historicism for genres and forms such as the epic devotional works and misogynistic literature for figures and types such as the enchantress the witch and the shepherdess and for numerous other topics Each entry is written by an expert contributor summarizes the relationship of the topic to feminist thought and includes a brief bibliography The volume closes with a selected general bibliography of major studies

Wolves Eat Deer Philip Jarrett, 2008-11-13 These poems were written over the course of a year I met Megan in August and we fell in love emphasis on the word fell as in losing all sense of balance and toppling head over ass But I was going through a divorce and missed my kids sorely so I broke up with her in the fall I spent the winter of my discontent in a holler in Boone County If you have to be depressed and lonely there is no more suitable place When I finally realized there would be no reconciliation with my ex or reunion with my children I much to my shame but nonetheless heaved a sigh of relief I went back to Megan with a surety in my heart and mind that she was the one I wanted to marry and grow old with Alas my Deer

was seeing someone else by then The Wolf And I a grumbling old Bear had to woo her away from him Or as the rather odd title for a book of love poems has it to remind her that Wolves Eat Deer **Women in the Ottoman Empire** Suraiya Faroqhi,2023-01-26 It is an often ignored but fundamental fact that in the Ottoman world as in most empires there were first class and second class subjects Among the townspeople peasants and nomads subject to the sultans who might be Muslims or non Muslims adult Muslim males were first class subjects and all others including Muslim boys and women were of the second class As for the female members of the elite while less privileged than the males in some respects their life chances might be better than those of ordinary women Even so they shared the risks of pregnancy childbirth and epidemic diseases with townswomen of the subject class and to a certain extent with village women as well Thus the study of Ottoman women is indispensable for understanding Ottoman society in general In this book the agency of women from a diverse range of class religious ethnic and geographic backgrounds is for the first time woven into the social and political history of the Ottoman Empire from the early modern period to its dissolution in 1918 Suraiya Faroqhi charts the history of elite and non elite women in thematic chapters concentrating on urban women family life work slavery education and survival in times of war In the process the book introduces readers to the key sources primary and secondary necessary to reconstruct and understand the ways that females navigated social legal and economic constraints through the central prisms of family relations work and charity The first introductory social history of women in the Ottoman Empire and including a timeline and extended further reading section this book will be essential reading for scholars and students of Ottoman history and the history of women in the Middle East **Mothers of Invention** Robin Pickering-Iazzi,1995 In the Mother of Invention in their analyses of literature painting sculptures film and fashion the contributors explore the politics of invention articulated by these women as they negotiated prevailing ideologies The Judgement of the King of Bohemia Guillaume de Mauchaut,2019-06-03 Published in 1984 This book is a translated medieval text of Poems concerning The Judgement of the King of Bohemia *Old Times in Dixie Land: A Southern Matron's Memories* Caroline E. O. A. M. Lyne,1995-01-01 This fascinating study of one of the greatest poets of the Augustan Age sheds new light on Horace s works by the way it combines literary analysis with investigation into the poet s social and political circumstances Lyne s personal and historical approach focuses on the poet s relations with his patron Maecenas with the Emperor Augustus and with other grandees Closely analyzing poems from Satires Odes and Epistles Lyne reveals not only the magnificence of Horace s public literature but the private man behind it He shows how Horace neatly balanced deference with the careful assertion of his own social and political standing According to Lyne Horace was a master of private insinuation as well as a skilled maker of public poetry He was also a master in the art of ordering his works exactly where a poem occurs is often of the subtlest importance Lyne also examines the resumption of the great political lyric in the Odes of Book 4 set aside in 23 B C and contends that beneath the public face Horace here exhibited resentment recording views that undermined earlier patriotic statements Forugh Farrokhzad, Poet of Modern Iran Dominic Parviz Brookshaw,Nasrin Rahimieh,2023-05-04 The pioneering Iranian poet and filmmaker Forugh Farrokhzad was an iconic figure in her own day and has come to represent the spirit of revolt against patriarchal and cultural norms in 1960s Iran Five decades after her tragic death at the age of 32 Forugh Farrokhzad Poet of Modern Iran brings her ground breaking work into new focus During her lifetime Farrokhzad embodied the vexed predicament of the contemporary Iranian woman at once subjected to long held traditional practices and influenced by newly introduced modern social sensibilities Highlighting her literary and cinematic innovation this volume examines the unique place Farrokhzad occupies in Iran both among modern Persian poets in general and as an Iranian woman writer in particular The authors also explore Farrokhzad s appeal outside Iran in the Iranian diasporic imagination and through the numerous translations of her poetry into English It is a fitting and authoritative tribute to the work of a remarkable woman which will introduce and explain her legacy for a 21st century audience This second edition includes two new chapters which explore a travelogue Farrokhzad wrote during her time in Italy and an examination of Farrokhzad s influence on the writings of the Afghan female poet Laila Sarahat Rowshani *The Taos Truth Game* Earl Ganz,2007-01-16

Outlines of Classical Literature H. Rose, 2023-07-14 First published in 1959 *Outlines of Classical Literature* is a guide for students of English literature who too often come to this difficult and complex subject with little or no knowledge of one of its principal sources It therefore does not attempt to give a complete account of the Greek and Roman writers but tries instead to deal with those whose influences direct or indirect can be clearly traced in medieval and later authors The ancients are taken in their chronological order though this is not necessarily the order in which they became known to or influenced the Christian World but to follow the latter would be too confusing The book should be of interest to the undergraduate the general reader and to the literary critic desirous of displaying classical erudition
