Love 31 Reflections On Christian Virtue:

Love Carl Koch,1996 If we believe in God s love for us perhaps we will believe in our own ability to love We pray to accept the grace to love May each of these thirty one days of prayer for love challenge invite inspire and inform us to love more fully wisely and well Humility Robert Morneau,1997-01-01 This book of 31 days of reflections opens a door giving readers entrance for a moment into how some fellow pilgrims encounter the grace of humility It may be through their sharing of this virtue that readers may befriend it and wake up one day to find their feet walking down the humble path of God s love and mercy *The Democratic Virtues of the Christian Right* Jon A. picture of Byzantine imperial ideology Provides a fresh understanding of key pieces of Byzantine public rhetoric and introduces analytical concepts from rhetorical literary and discursive theories Offers translations of key passages from late Byzantine rhetoric Manuel II Palaiologos was not only a Byzantine emperor but also a remarkably prolific rhetorician and theologian His oeuvre included letters treatises dialogues short poems and orations Florin Leonte deals with several of his texts shaped by a didactic intention to educate the emperor's son and successor John VIII Palaiologos He argues that the emperor constructed a rhetorical persona which he used in an attempt to compete with other contemporary power brokers While Manuel Palaiologos adhered to many rhetorical conventions of his day he also reasserted the civic role of rhetoric With a special focus on the first two decades of Manuel II Palaiologos rule 1391-1417 Leonte offers a new understanding of the imperial ethos in Byzantium by combining rhetorical analysis with investigation of social and political phenomena

Report of the ... Annual Meeting Franciscan Educational Conference, 1925 Reflections for Daily Prayer: Advent 2016 to Christ the King 2017 Steven Croft, Joanna Collicutt, Paula Gooder, Helen-Ann Hartley, Libby Lane, Graham James, Helen Orchard, Angela Tilby, 2016-05-30 Reflections for Daily Prayer is a highly valued daily Bible companion based on the Common Worship Lectionary Each day Monday to Saturday some of the very best writers from across the Anglican tradition offer insightful informed and inspiring reflections on one of the day's readings for Morning Prayer Their reflections will appeal to anyone who values both the companionship of daily Bible notes and the structure of the Lectionary For every day excluding Sundays of the 2016-17 church year there are full references and a quotation from the day's set of Scripture readings a concise but challenging commentary on the readings and a collect In addition the book includes a simple order for morning and night prayer an introduction to the practice of daily prayer by Bishop John Pritchard and a guide to reading the Bible reflectively by Bishop Stephen Cottrell *Christian Character Formation* Gifford A. Grobstein, 2019 This work argues that Christian righteousness is bestowed and becomes active primarily in worship particularly through the congregational use of the means of grace and that the proper appropriation of this righteousness by a Christian is ethically formative The

Priority of Love Timothy P. Jackson, 2021-06-08 This book explores the relation between agape or Christian charity and social justice Timothy Jackson defines agape as the central virtue in Christian ethical thought and action and applies his insights to three concrete issues political violence forgiveness and abortion Taking his primary cue from the New Testament while drawing extensively from contemporary theology and philosophy Jackson identifies three features of Christian charity unconditional commitment to the good of others equal regard for others well being and passionate service open to self sacrifice for the sake of others Charity prescribed by Jesus for his disciples and named by Saint Paul as the greatest theological virtue is contrasted with various accounts of justice Jackson argues that agape is not trumped by justice or other goods Rather agape precedes justice without the work of love society would not produce persons capable of merit demerit and contract the elements of most modern conceptions of justice Jackson then considers the implications of his ideas for several questions the nature of God the relation between Christian love and political violence the place of forgiveness and the morality of abortion Arguing that agapic love is to be construed as a gift of grace as well as a divine commandment Jackson concludes that love is the eternal life that makes temporal existence possible and thus the first Christian virtue Though foremost a contribution to Christian ethics Jackson's arguments and the issues he takes up will find a broader readership

1 Corinthians Scot McKnight, 2024-05-07 Scholarly insights with a pastoral heart for all the books of the New Testament Scot McKnight is one of my absolute favorite New Testament scholars and his Everyday Bible Study series is akin to Einstein creating a user friendly version of the Theory of Relativity Lisa Harper award winning author and Bible teacher Paul writes a letter to a church routinely in disagreement with Paul's vision for how to live as a Christian in Corinth a Roman city The Corinthians were daily challenged to pursue Romanitas or the social cultural and religious life of the elites in the Roman world and thus the Corinthians were pursuing too much prestige and status and honor Various factions or divisions had formed among the house churches Paul addresses a series of church problems presenting themselves in Corinth that need to be understood and corrected so the believers of Corinth can walk in the way of Christ more consistently In the New Testament Everyday Bible Study Series widely respected biblical scholar Scot McKnight reveals the newness and activeness of God's Word as it works in our everyday lives His unique approach to Bible study combines sound theology with relevant pastoral wisdom Each volume of this series provides Original Meaning Brief precise expositions of the biblical text and offers a clear focus for the central message of each passage Fresh Interpretation Brings the passage alive with fresh images and what it means to follow King Jesus Practical Application Biblical connections and questions for reflection and application for each passage The NIV is used as the primary Bible text but McKnight also includes insights from his own translation of the entire New Testament Each Bible study features a short compact clear exposition that both summarizes the whole and gives the reader a clear focus for what is central to the passage

Christian Ethics Hak Joon Lee, 2021-11-09 In this capacious and accessible introduction to Christian ethics Hak Joon Lee advances a renewed vision of Christian life that is liberative

grace centered and justice and peace oriented in nature Responding to key ethical questions of today Lee applies the moral meaning and implications of the New Covenant in Jesus Christ to twenty first century life characterized by fluidity fragmentation division and violence Christian Ethics begins by introducing covenant as the central drama and storyline of Scripture that culminates in the New Covenant of Jesus It presents shalom the wholeness and flourishing of creation as God s ultimate purpose and God s covenant as God s organizing mechanism of community that mediates God s work of liberation and restoration Lee proposes a creative model of Christian ethics based on the New Covenant of Jesus and its organizing patterns reconstructing the key categories of ethics agency norms authority of Scripture ethical discernment etc and drawing out four practices communicative engagement just peacemaking grassroots organizing and nonviolence The result is a new model of Christian ethics that is inclusive egalitarian ecological and justice and peace oriented which overcomes the limitations of traditional covenantal ethics In the second part of the book Lee systematically applies New Covenant ethics to the most urgent and controversial social issues of our time democratic politics economic ethics creation care criminal justice race sex and marriage medicine and war and peace Through his deep pastoral and irenic inquiries into these difficult topics Lee demonstrates a pattern of covenantal moral reasoning that undercuts the dominant neoliberal ethos of individualism and transactional relationship that more and more influences Christian moral decisions His conclusion is that as covenant has been at the heart of modern democracy human rights civil society and civic formation a renewed understanding of covenant centered in Jesus can help to heal our broken society and imperiled planet and to reorganize the fragmented human life in the era of globalization and digitization

Kilian, 2018-07-17 This book addresses the problem of toxic leadership in Christian contexts Toxic leadership behaviors of narcissistic and obsessive compulsive leaders will be emphasized To counteract toxic Christian leadership this book proposes a leadership development model called formational leadership which is based mostly on Wesleyan spirituality but also includes monastic and Pentecostal spiritualities Formational leadership is an eclectic leadership development model that includes components of transformational authentic and primal leadership approaches Formational leadership emphasizes the spiritual emotional and ethical development processes in the leader and includes an analysis of orthokardia orthodynamis and orthopraxis These components have a circular relationship with one another Orthokardia includes the concepts of spiritual and emotional maturity that a Christian leader needs to develop in order to become an ethical and effective leader

Orthodynamis includes right power and influence motives based on Christian affections that should inform formational leadership Orthopraxis refers to right and just leadership behaviors informed by Wesley's social holiness and justice values that need to be adopted as organizational core values The implications of these components for leadership development are outlined in chapters 4-6 that include practical steps for helping toxic leaders change their dysfunctional and harmful intentions and behaviors
