Living Metanoia Fr. Dave Pivonka, TOR, 2021-06-04 At the very beginning of the Gospels Jesus calls us to a radical new way of life saying This is the time of fulfillment The kingdom of God is at hand Repent and believe in the gospel Mk 1 15 The word repent in Greek is metanoia but the original Greek word means much more than just repentance It means to change to turn to think differently Metanoia is not a one time event but a process and as Christians we are called to live a life of metanoia *Living Metanoia* explores what this looks like in our daily lives encouraging believers in all walks of life to go deeper in their relationship with Jesus In his down to earth approachable style Fr Dave Pivonka TOR addresses basic topics such as who Jesus actually is rather than who we think he is or who we want him to be what we need to do in order to inherit eternal life the reality of evil and our daily call to a deeper commitment to Christ Each chapter contains Sacred Scripture to give context and direction along with reflection questions and a practical metanoia moment to help us live a life of change We all need metanoia over and over again Realizing this should be a source of hope and encouragement for only by living metanoia can we find true and lasting freedom and fulfillment in Jesus Christ

Finding the Plot Roger Standing, 2012-03-16 Preaching at its best is truth on fire The real quality of this book is that it has been created from the author's own experience of the local pastorate and is concerned with practical insights and realities I warmly recommend it David Coffey Moderator of the Free Churches and General Secretary of the Baptist Union For some the phrase finding the plot suggests a stroll through a graveyard which is much like their view of preaching But Roger Standing uses the phrase to describe narrative preaching an approach that helps preachers accomplish their essential task to raise the dead Marshall Shelley Vice President Christianity Today International and editor of Leadership This book from a seasoned practitioner and an able thinker will provide the signposts required by many either for transforming their preaching style in mid career or for setting off on the right foot Nigel G Wright Principal of Spurgeon's

College London Roger Standing breezily shares his enthusiasm for narrative preaching He combines theory about narrative and its cultural relevance with practical advice and preaching examples A helpful stimulus to any preacher to branch out into narrative preaching Michael Quicke Charles Koller Professor of Preaching and Communications **Finding Love** Andrew Leslie Callander, 2021-02-17 What if the majority Christian view concerning the gospel is not only wrong but responsible for the rejection of Christian faith by so many today If your idea of the gospel is that God's fundamental disposition toward you is angry judgment but Jesus came to die on the cross to change God's mind about you then Andrew Callander wants you to know the truth God's fundamental disposition toward you and all humanity is eternal lovingkindness and the reason Jesus came was to change our minds about God In company with biblical scholars like David Bentley Hart contemplative activists like Richard Rohr and progressive thinkers like Brian McLaren Callander laments how centuries of Christian energy have been wasted determining and policing religious boundary lines He wants the reader to be assured that in Jesus Christ God has destroyed all barriers that stand in the way of our relationship with God Callander's key theme is that humanity is already enfolded within God's eternal love and that our great task is not to find God's love but awaken to the reality that the God of love has already found us and then apply this to our relationships with others and with creation *The Great I AM and the Great We ARE* Steven Paul, 2025-10-09 What if the Higher Power you tentatively acknowledged in recovery has been orchestrating your healing all along What if the spiritual principles that saved your life aren't just human wisdom but reflections of eternal truths spoken by the very source of life itself In this groundbreaking exploration a voice from the trenches of addiction recovery reveals the stunning connections between Jesus seven I AM declarations and the spiritual awakening that transforms lives daily in recovery communities across the world Born not in seminary classrooms but in the desperate search for truth that began in addiction's darkest valleys this book bridges the gap between the recovery community and the church with profound insight in unflinching honesty From the Bread of Life that satisfies spiritual hunger no substance could fill to the True Vine that produces the authentic fruitfulness recovery promises each I AM statement addresses a specific aspect of addiction and recovery with startling clarity Discover how The Light of the World penetrates the darkness of denial deception The Good Shepherd provides the sacrificial care that broken hearts desperately need The Gate offers both access to abundant life and protection from forces that would destroy recovery The Resurrection and the Life provides hope for complete restoration When addiction has caused devastation that seems irreparable Written for anyone who has experienced addiction's destruction whether personally or through a loved one this book demonstrates that your recovery story is actually a subplot in God's much larger narrative of redemption The same Jesus who spoke these profound truths 2000 years ago remains the living answer to every need that addiction creates This isn't theology dressed up in recovery language or recovery principles forced into religious molds This is the recognition that the deepest human struggles with powerlessness spiritual hunger moral confusion and existential emptiness find their ultimate solution in the

One who declares I AM so that broken people can confidently declare WE ARE redeemed restored and renewed For those still struggling discover that your rock bottom can become His solid foundation For those in recovery there s more much more For families and loved ones find hope that no addiction is too severe for resurrection power For those in ministry meet your mission field in the rooms where miracles happen daily The mathematics of addiction never made sense but the mathematics of grace are equally counterintuitive less equals more weakness equals strength surrender equals victory death equals life This is more than a book it s an invitation to discover that the Higher Power who saved you from active addiction wants to save you for active discipleship Your recovery story is actually a love story and the love interest has a name From powerlessness to purpose from spiritual death to abundant life from the great I am not to the grateful we are this journey reveals that recovery isn t just about getting sober It s about getting saved staying saved and helping others find the same salvation you ve found This book will change how you understand both recovery and faith It s essential reading for anyone who believes that grace and spiritual awakening aren t just compatible they are inseparable

the mystery of God and the human person Martin Buber claimed that love was a cosmic force Lauder s vision is cosmic He has produced a book that is not only interesting and illuminating but also inspiring Readers will find themselves returning to reread their favorite chapters and researchers will find new quotes to include in their research projects One of Lauder s talents as a writer is to explore the most profound mysteries and write about them in language accessible to readers who are interested in reflecting on such mysteries as love of self love of neighbor and love of God Rather than presenting insights into the meaning and mystery of love in a way that is excessively speculative and academic Lauder s writing may challenge the intellect to incorporate the most profound truths about love into daily life The Cosmic Love Story God and Us will move readers to integrate insights into love from the book into their lives so that they choose to live as gift givers that is to say as lovers
