## **Love Among The Cannibals:**

Love Among the Cannibals Wright Morris, 2018-06 Speaking of this 1957 novel the author has said it ended his obsession with the reconstruction of the immediate past and moved him into the contemporary scene The narrator Earl Horter is a lyric writer who is in Hollywood with Mac his partner to write a musical With two girls they have picked up and gone to Acapulco

**Missionary Life Among the Cannibals** George Patterson, 1882 While our work is intended specially as a life of Dr Geddie we have thought it proper to make it at the same time a history of the New Hebrides Mission For several years his life was the history of the Mission and during the rest of the time that he labored on the field the two were so mixed that it is impossible to write the one without to some extent giving the other It will be seen that our story is told very much in Dr G's own words Preface Twentieth Century Fiction George Woodcock, 1983-04-01 **Haunted: The Strange And Profound**

**Art Of Wright Morris** Jackson J. Benson, 2013 He skipped his senior year at college to go to Europe where he was befriended by a Countess was kept a prisoner in a castle by a mad Count and almost met Mussolini close enough to land him in an Italian jail Wright Morris returned to the States and went on to become probably the most experimental American novelist of the last century He ended up with almost every award and prize that a novelist can earn and his work was praised over and over again by many of our most prestigious critics In addition to publishing thirty four books he was also an eminent photographer He not only had his work shown in numerous museums and galleries around the country but his photographs were also displayed throughout five photo text books a form that he pioneered back cover **American and British**

**Writers in Mexico, 1556-1973** Drewey Wayne Gunn, 2014-07-03 American and British Writers in Mexico is the study that laid the foundation upon which subsequent examinations of Mexico's impact upon American and British letters have built Chosen by the Mexican government to be placed in translation in its public libraries the book was also referenced by Nobel Laureate Octavio Paz in an article in the New Yorker Reflections Mexico and the United States Drewey Wayne Gunn demonstrates how Mexican experiences had a singular impact upon the development of English writers beginning with early British explorers who recorded their impressions for Hakluyt's Voyages through the American Beats who sought to escape the strictures of American culture Among the 140 or so writers considered are Stephen Crane Ambrose Bierce Langston Hughes D H Lawrence Somerset Maugham Katherine Anne Porter Hart Crane Malcolm Lowry John Steinbeck Graham Greene Tennessee Williams Saul Bellow William Carlos Williams Robert Lowell Ray Bradbury Allen Ginsberg William Burroughs and Jack Kerouac Gunn finds that while certain elements reflecting the Mexican experience colors landscape manners political atmosphere a sense of the alien are common in their writings the authors reveal less about Mexico than they do about themselves A Mexican sojourn often marked the beginning the end or the turning point in a literary career The insights that this pioneering study provide into our complex cultural relationship with Mexico so different from American and British authors encounters with Continental cultures remain vital The book is essential for anyone interested in
