Love And Ethics A Novel:

Love as a Guide to Morals Andrew Fitz-Gibbon, 2012-01-01 Love as a Guide to Morals is an entry level introduction to the ethical importance of love Written in conversational format this book looks uniquely at the complexity of love in human relationships and how love can guide ethical decision making The book suggests that love in all its intricacy erotic erosive love friendship affection and agapic love is the great good of human life The book argues that love has a unifying power for morality and is more suited to ethical thinking and practice than any other idea Love as a Guide to Morals uses a modified Aristotelian argument after Alasdair MacIntyre and suggests loving relationships rather than happiness as the goal of human life

Love and Ethics Ivan Hill, 1986

The Love Ethic Terry Bell, 2008-07 Author discusses the question Is there really a universal standard when it comes to morality In view of the world's rapidly growing technologies media influences and the changing morals of today's society making it difficult to keep track of acceptable behavior how do you determine right from wrong Dr Bell's analysis is sometimes provocative occasionally humorous and at times controversial

Love and Ethics Ellen Key, 1912

Love and Depth in the American Novel Ashley C. Barnes, 2020-04-23 Love and Depth in the American Novel seeks to change how we think about the American love story and how we imagine the love of literature By examining classics of nineteenth century American literature Ashley Barnes offers a new approach to literary theory that encompasses both New Historicism and the ethical turn in literary studies Couples like Huck and Jim and Ishmael and Queequeg have grounded the classic account of the American novel as exceptionally gothic and antisocial Barnes argues instead for a model of shared intimacy that connects the evangelical sentimental best seller to the high art of psychological realism In her reading of works by Harriet Beecher Stowe Nathaniel Hawthorne Herman Melville Elizabeth Stoddard Henry James and others in the context of nineteenth century Protestant Catholic debates about how to know and love God what emerges is an alternate tradition of the American love story that pictures intimacy as communion rather than revelation Barnes uses that unacknowledged love story to propose a model of literary critical intimacy that depends on reading fiction in its historical context

Love and Narrative Form in Toni Morrison's Later Novels Jean Wyatt, 2017-03 In Love and Narrative Form in Toni Morrison's Later Novels Jean Wyatt explores the interaction among ideas of love narrative innovation and reader response in Toni Morrison's seven later novels Love comes in a new and surprising shape in each of the later novels for example Love presents it as the deep friendship between little girls in Home it acts as a disruptive force producing deep changes in subjectivity and in Jazz it becomes something one innovates and recreates each moment like jazz itself Each novel's unconventional idea of love requires a new experimental narrative form Wyatt analyzes the stylistic and structural innovations of each novel showing how disturbances in narrative chronology surprise endings and gaps mirror the dislocated temporality and distorted emotional responses of the novels' troubled characters and demand that the reader situate the present day problems of the characters in relation to a traumatic African American past The narrative surprises and gaps

require the reader to become an active participant in making meaning And the texts complex narrative strategies draw out the reader's convictions about love about gender about race and then prompt the reader to reexamine them so that reading becomes an active ethical dialogue between text and reader Wyatt uses psychoanalytic concepts to analyze Morrison's narrative structures and how they work on readers Love and Narrative Form devotes a chapter to each of Morrison's later novels Beloved Jazz Paradise Love A Mercy Home and God Help the Child Love's Knowledge Martha C.

Nussbaum,1990-11-15 This volume brings together Nussbaum's published papers on the relationship between literature and philosophy especially moral philosophy The papers many of them previously inaccessible to non specialist readers deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues the nature of ethical attention and ethical knowledge and their relationship to written forms and styles and the role of the emotions in deliberation and self knowledge Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical It is consequently necessary to broaden our conception of moral philosophy in order to include these forms Featuring two new essays and revised versions of several previously published essays this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements Love and Ethics Ellen Karolina Sofia Key,2015-06-04

Excerpt from Love and Ethics In Love and Ethics she deals with sex problems with the courage and the purity of mind which such themes demand and she challenges the permanence of current ideals against the law of life which means change and growth We must anticipate the necessity of establishing a new standard of moral values if present day social wrongs and abuses are to be remedied Ellen Key points the way to these higher values without demanding that her revolutionary ideas of reform be translated into immediate action Conditions are not ripe for the radical changes she suggests A gradual transformation of moral values must lead the way to a better future founded on a higher conception of love About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Secrecy and Community in 21st-Century Fiction María J. López,Pilar Villar-Argáiz,2021-01-14 Secrecy and Community in 21st Century Fiction examines the relation between secrecy and community in a diverse and international range of contemporary fictional works in English In its concern with what is called communities of secrecy it is fundamentally

indebted to the thought of Jacques Derrida Jean Luc Nancy and Maurice Blanchot who have pointed to the fallacies and dangers of identitarian and exclusionary communities arguing for forms of being in common characterized by non belonging singularity and otherness Also drawing on the work of J Hillis Miller Derek Attridge Nicholas Royle Matei Calinescu Frank Kermode and George Simmel among others this volume analyses the centrality of secrets in the construction of literary form narrative sequence and meaning together with their foundational role in our private and interpersonal lives and the public and political realms In doing so it engages with the Derridean ethico political value of secrecy and Derrida s conception of literature as the exemplary site for the operation of the unconditional secret

The Girl Who Kept Falling in Love Rhea Mukherjee,2023-09-25 The very fact of being loved seems to be proof of Kaya s worth her purpose But at age forty her past stretches out behind her in a long string of loves lost and she is weary of being broken hearted Desperately seeking purpose elsewhere Kaya finds it in the world of activism where she becomes greatly invested in resisting the growing fascist and Islamophobic forces of present day India However she is rudely reminded that much of the middle class social activism she is part of is fuelled by a collective saviour complex A high caste Hindu with a US passport Kaya is no exception Still the marginal danger and the instability are addictive and the sense of righteousness is quite validating When Kaya meets and falls deeply in love with a fellow activist from the very religious community the country is actively trying to erase her

twin purposes are miraculously aligned in an intoxicating combination that she becomes immediately fearful of losing In the midst of spirited protests and rising violence Kaya bears witness to vast human suffering while experiencing profound joy It is time to make a choice Kaya knows if she chooses love this time she will betray everything she has claimed to believe in If she is willing to do that can Kaya truly be loved by the person she most desires Told through the lens of urban myths accounts of past lovers bared confessions and half truths that make up Kaya's world *The Girl Who Kept Falling in Love* dives deep into the futilities of being attached to global aspiration and fighting institutionalized hate while chasing a universal need for love and acceptance
