Love Beyond Desire:

Love Beyond Desire Rakhi Verma, 2019-07-31 Love Beyond Desire is a unique love story. It's about a girl who falls in love with her best friend Arman when she is in school. It's a story of long lost lovers who finally meet after nine years and their love is still strong as it was before. It's a story with hope, passion, emotional confusion, emotional outburst, fun, mystery, happiness, admiration, love, and desire along with beautiful poems and songs to keep you entertained. Rhia knows that love is not being together forever but it is to remember the moments together forever. Keeping this in mind, Rhia moves ahead in her life by managing personal and work life. It's been nine years since Arman left her and Rhia manages her life just fine with a dream job and her own place, finally free from family drama. She turned her life and took control of it but the only part of her life that she couldn't control was love. She couldn't love anyone because she is heartbroken. As she had found and lost her love on the same day and when Arman left her forever without even a goodbye but with just two letters both addressed to her: one To My Best Friend and other To My Girlfriend and a ring which she still holds as a reminder, a proof of broken love. Rhia and her friends are enjoying the wedding celebration at Mumbai's luxurious hotel. Everything is great and everyone is enjoying it until she sees Arman. He steps through the gate after long nine years along with his 3-year-old son, leaving her shocked and speechless. They are about to spend three days together under the same roof and she is all worried, angry, and pleased again all at the same time. She wants to know why he left without a goodbye; it's all she wants to know. So will she finally get answers? Will Arman finally say why he left her and why he kissed her if he was about to leave? *Love beyond desire*-r Rachel Palmer, **Love Beyond Desire** Rachel Palmer, 1983-03-01 *Men Beyond Desire* David Greven, 2025-01-10 This book explores the construction of male sexuality in nineteenth-century American literature and overturns longstanding views. Far from desiring heterosexual sex and wishing to bond with other men through fraternity, the male protagonists of classic American literature mainly want to be left alone. Greven makes the claim that American men, eschewing both marriage and male friendship, strive to remain emotionally and sexually inviolate. Examining the work of traditional authors Hawthorne, Poe, Melville, Cooper, Irving, Stowe, Greven discovers consistently resistant portrayals of male characters who defend their individuality through a lockdown on sexuality. Objects of desire from both women and other men, the inviolate males discussed in this study disrupt established gendered and sexual categories, inspiring fresh analysis of the era and its literary depiction of American manhood. This second edition of *Men Beyond Desire* (2005) expands the analysis of male sexuality to include discussions of developments in the field of masculinity studies. It includes a new introduction that introduces the complementary figure of the victim monster and revisits the work of Leslie Fiedler and a new chapter that focuses on Melville's tale *Bartleby the Scrivener* (1856). Chapter 4 expands the analysis of the intersections among free love, health reform, and male sexuality in *The Blithedale Romance* (1852) and chapter 9 expands the discussion of Billy Budd, Sailor, to address questions of race and the role of the Handsome Sailor.
