

JOHN B. KEANE

The background is a collage. At the top, the author's name is in large yellow letters on a dark blue background. Below this, a fountain pen with a silver nib and a black barrel is positioned diagonally. To the left of the pen is a map showing a coastline. A red ribbon is draped across the lower left. In the bottom right, there is a small sign that reads 'GRAND MARQUEE DANCE Tonight!'. The overall aesthetic is vintage and artistic.

Dust and Other Stories T'aejun Yi,2018-04-24 Yi T'aejun was one of twentieth century Korea s true masters of the short story and a man who in 1946 stunned his contemporaries by moving to the Soviet occupied northern zone of his country In South Korea where he is known today as one who went north Yi s work was banned until 1988 His momentous decision did not lead him to a safe haven however though initially welcomed into the literary establishment North Korea sent him into internal exile in the 1950s and little is known of his fate *Dust and Other Stories* offers a selection of Yi s stories across time and place showcasing a superb stylist caught up in the midst of his era s most urgent ideological and aesthetic divides This collection unites his earlier modernist masterpieces from the colonial era with his little known work penned during North Korea s founding years offering

a rare glimpse into the making and crossing of the border between south and north During the turbulent final years of Japanese rule Yi s elegant yet subdued stories championed both his native tongue and the belief in the capacity of art In the heavily politicized environment of the North his later works maintain a faith in the art of storytelling and a concern for the disappearance of customs in the throes of modernization Throughout both eras Yi focused on ordinary people old men struggling to understand a changing world lovers meeting up among ancient ruins a lively widow targeted by a literacy campaign a bourgeois couple trying to sustain themselves during the war by breeding rabbits and more Magnificently translated by Janet Poole Yi s work bears witness to global turmoil with a melancholic sense of enduring beauty

These ten stories are irresistible because their author is both fearless and ambitious Newman switches points of view effortlessly brings us to far flung regions of the world and has an uncanny authentic grasp of cultures We travel from Varanasi to Tijuana from Rome to Lhasa to New Orleans Valdez Barcelona and the Isle of Skye The characters are just as diverse Maggie who is taking the ghost of her dead brother and her guilt on a spiritual trek of redemption to the Annapurna Sanctuary in Nepal Gomez who has a date with destiny in the syrup aisle at the Tijuana hypermarket while his friend Chuy carries Jesus on his back through the street vendors at the Mexican US crossing a Norwegian preacher relocates to Varanasi India in a valiant effort to convert Hindus and Muslims to Christianity while his son watches the bodies burn on the banks of the Ganges and in the title story the women who run an undercover orphanage in New Orleans don habits by day but play poker at night While these fictions occur thousands of miles apart and evince wildly different cultures and situations they are unified in their portrayal of ordinary citizens of the world struggling against extraordinary events And they are written with a remarkable mixture of pathos and humor
