Love Goes A Long Way:

A Little Goes a Long Way Rachael Adams,2022-10-04 A significant life is more simple than you think In a culture where bigger is seen as better it s easy to wonder if your quick prayer between errands or the short note you text a friend means anything in God s kingdom Contrary to how you may feel every little thing you do can go a long way in God s hands Partnering with God unlocks the eternal significance of the smallest act In fifty two devotions Rachael Adams exemplifies this empowering truth and shares personal stories of how God values each deed practical actions for lasting impact and encouraging prayers that reveal how much your contributions matter Watch God take your everyday actions and transform them for his eternal purposes

The Masochistic Playpen Brook Ziporyn,2001-05-30 The Masochistic Playpen is a comedic work of serious fiction albeit one with a lot of sarcastic violence and philosophy in it set in a science fiction milieu replete with clone networks information conglomerates wandering assassins disintegration travel and so on It has been described as a Schwarzenegger vehicle as written by Flaubert in collaboration with Lewis Carroll Johann Gottlieb Fichte and an irritable tenth century Chinese monk with some histrionic last minute suggestions phoned in by Sabbatai Zevi and the Marquis de Sade The story traces a young unfrozen assassin on a fool s errand across the galaxy slaughtering clones according to an obscure slightly Kafkaesque assignment forced to assume a variety of undercover roles in different worlds and societies adapting to their customs and ingratiating himself as ambassador as priest as god as gangster as talk show guest to get close to his victims His adventure takes him from earth to the Disneyesque world of Pleasure Land where he finally meets his ultimate quarry and the thread on which he has been dangling is finally unraveled On the way the absurdly intersubsumptive omniverse which is his to navigate gets its kicks reveling on both sides of his subjectivity in the maliciously jubilant mirrorings which some may say seem to dog the steps of every moment of sentient experience
