Judith views her own birth through the eyes of a newborn Her life revealed before her just as it happened a happy early childhood tragic losses first love and heartbreak She is driven to avoid any future pain and takes harsh control of her life and everyone in it until she reaches the moment of the crash again Baby s Story Then more frightening Judith must see into her possible future life as Baby should she die Judith wraithlike is compelled to watch as surreal scenes unfold before her For the second time in the span of one hour of her life she sees the moment of her own birth Judith must wait until Baby s story is finished knowing all this will happen if she dies and the terrifying white light tries to claim her She must stand by helplessly while trying to find her one chance to survive

Love Notes from God Amanda Burke,2011-09-27 Grief and loss are taboo subjects A mother doesn t want to talk about her child who died Or does she A woman who miscarries isn t losing as much as a mother who loses a newborn Or is she A father doesn t grieve as much as a mother Or does he Our culture is full of misconceptions about grief and loss Few mention the thousands of miscarriages and stillbirths the babies and small children who die every day leaving parents with empty arms and grieving hearts The journey through grief can be long and lonely for the families left behind Love Notes from God examines how parents cope when they go through a miscarriage or lose an infant Find out what you can say or do to help them and also learn what is never appropriate to say to someone who is grieving

Following Jesus David Lowry,2020-05-12 We live in a time when many view the church as a relic of ancient traditions and cosmologies often reactionary mean spirited nationalist and racist They see those who call themselves Christians reacting in fear to the changes around them rather than like Jesus boldly declaring and living out God s compassion and justice Some who view themselves as nonbelievers point out often with great clarity the distance between so called Christian witness and the teaching of Jesus This book takes us back to the first followers of Jesus and their attraction to Jesus and his teaching It reexamines what they encountered in Jesus that led them to follow him and it analyzes the dynamics of following This exploration becomes a call to let Jesus lead us into God s presence and liberating action By doing so we experience a stripping away of our false religiosity misplaced commitments and idolatries As we join with others in a community of Jesus s followers gathered by Jesus to be sent out we exercise true society altering witness

Aman, 2025-03-05 This book proves that when science and literature especially poetry enact and interact with each other transdisciplinary fields are created and new knowledge building practices are produced The discussions of interconnections between poetry on the one hand and physics biology biochemistry and pharmacology on the other hand stress that common ground can be found among diverse disciplines and transdisciplinary solutions can be offered to wicked problems The relation between science and transdisciplinarity and other knowledge systems including arts and literature should be supported Novel thinking mixing and merging disciplines creating a third space and realizing new findings should relate academy to society Therefore researchers and transdisciplinary should focus on the power that can reshape the world transcending traditional academic confines Raising questions that can lead to deeply philosophical and scientific disputes develops solutions for wicked problems and creates an ongoing encounter on all solutions There should be a remapping of societal landscape so that transdisciplinarity yields fruitful results and leaves a formative impact on every aspect of life
