

Love Has No Meaning To The Heartless

**The world is full of cruel people that will lead you on,
Fake love for the fun of it under the golden sun,
Taking advantage of your mind, soul and heart,
Only to entertain themselves before they tear you apart,**

**Expecting love from a heartless person is like,
Expecting a legless man to ride a mountain bike,
Like describing the vibrant colours of a rainbow to the blind,
Or explaining complex theories to a man who has lost his mind,**

**It is like playing the piano for a person who cannot hear,
Or buying earrings for a woman who has lost each ear,
It is like trying to convey the beauty of a touch on the skin,
To a person who is numb because of neuronal problems within,**

**It is like describing lovely scents to a woman that cannot smell,
Impossible and meaningless acts that will put you through hell,
Like explaining to a man without a tongue of the wonders of taste,
Just as giving love to the heartless, all of it just goes to waste.**

Love Has No Meaning:

Greater Love Has No Man Rita Leonty-Favreau, 2020-10-07 Whenever we seek to manipulate something we do not understand we expose ourselves to unknown dangers Greater Love Has No Man is a characterization of a gross misunderstanding It is an illustration of the catastrophic result of a presumptuous mind which sets about to meddle with things beyond its understanding but which it believes it not only understands but can manipulate When Courtney Willard sets out to manipulate words from the Bible which he refutes as being the infallible Word of God being also a self proclaimed atheist he has no idea that the end of what he engineers will turn out very different from what he envisioned In the end he would inadvertently prove what he sought to discredit The natural man does not comprehend the things of the Spirit of God for they are foolishness unto him Neither can he know them for they are spiritually discerned Greater Love Has No Man is a poignant journey into a misunderstanding One which along the way is fraught with laughter and tears friendship and enmity despair and the resilience of a love which ultimately restores hope

Sudbury,2016-04-28 Is there another way of understanding the spiritual path A way which binds to human universal values which breaks free from the concept of orthodoxy which goes beyond denominational walls and regulatory legalist stakes to appeal to the constitutive essence of the human being that considers the concept of religion as a tool and not as a target and that focuses on a real life transformation of the ones deciding to project their lives on a transcendental plane The author believes so and takes us in the wake of the thought of Panikkar on a path to discover a new perspective linked to orthopraxis to live our faith The Poet and Existence Yousef Sh'hadeh,2021-10-06 This study reveals important aspects in the contents of the poetic achievement of Hatif Janabi the son of the Arab environment with its ancient culture and at the same time a companion of Polish culture which is distinguished among European societies by its unique Slavic character Janabi s poetry expresses a great sensitivity to the hardships of life in a world of painful alienation revealing anxieties of expatriation and the writer s philosophy of existence This is what makes his poetry an expression of human concerns and a revelation close to the soul not to mention its great intellectual value that makes it a true representative of two ancient cultures Eastern and European The topics of Janabi s poetry are varied as they touch on many aspects of a person s life his being setbacks hopes and disappointments They highlight multiple manifestations of human savagery and draw attention to the humanization of animals and objects in search of traits that humans had lost Just as the contents of the poetic texts attract the attention of the reader and the critic their semantic and rhetorical predicates also arouse interest Interpretations of the texts and their titles reveal the aesthetics of poetic contexts and their symbolic and intellectual value Poetry becomes the partner of the desert and emptiness simultaneously both are the source of the creator s fear Despite the clear contradiction between dark poetry and lit space Janabi unites these two opposites into one whole which can be comprehended only by poets It is only they who are able to envision a complete life among wild sands filled with secrets In this lies the symbolism of the desert unveiling its surreal nature filled with the abundance of various images and contradictions impossible to notice by means of an inattentive glance The poet can do nothing but worriedly push away all fears of getting lost in this completely dark world *Lukács Reappraised* Agnes Heller,1983 This authoritative survey traces the development of Lukács thought from his conversion to Marxism to his renunciation of History and Class Consciousness from his remarkably fertile essay period to the Ontology The essays explore the evolution of his work in

relation to that of his contemporaries among them Brecht Bloch and Husserl They reflect at every turn the contributors broad commitment to LukAc's philosophy but they are always critical in their approach LukAc's ambiguities are noted without compromise and his inconsistencies deftly exposed
