Love In Chains:

Chain in Chains Alex Flemming, 2005-07-22 *Chain in Chains* tells the intimate stories of interconnected relationships of a small collection of adults. The main characters Jeff and Maria are the central link in the chain. Yet this link intertwines with other links in various further chains. The story deals with the ecstatic enjoyment, sexual liberation, and positively stimulating experiences as well as the emotional pressures driven by personal demands and the requirements of society's values. In short, this is a story about sex and everything with which it is accompanied. As the first novel in a series, *Chain in Chains* releases a number of characters into the world who develop their relationships in various ways and grapple with the freedom to enjoy and the ambivalent requirements of everyday life. Not for the prude or fainthearted. For some, a shocking revelation for most, an about time look at what happens especially in the evenings behind closed doors. *Notes on Love in a Tamil Family*

Margaret Trawick, 2023-11-15 Love as a force in human affairs is still not given much attention or credence by social scientists. With *Notes on Love in a Tamil Family*, Margaret Trawick places the notion of love prominently in social scientific discourse. Her unforgettable and profusely illustrated study is a significant contribution to anthropology and to South Asian studies. Trawick lived for a time in the midst of one large South Indian family and sought to understand the multiple and mutually shared expressions of *anpu*, what in English we call love. Often enveloping the author herself, changing her as she inevitably changed her hosts, this family performed before the young anthropologist's eyes the meaning of *anpu* through poetry and conversation, through the not always gentle raising of children, through the weaving of kinship tapestries, through erotic exchanges among women, among men, and across the great sexual boundary. She communicates with grace and insight what she learned from this Tamil family, and we discover that love is no less universal than selfishness and individualism. Love as a force in human affairs is still not given much attention or credence by social scientists. With *Notes on Love in a Tamil Family*, Margaret Trawick places the notion of love prominently in social scientific discourse. Her unforgettable and

A *Walking Contradiction* Sharee Reyes, 2021-08-30 0 0 Well, look at that! It's been a long time coming. Now you will finally be able to dive into my mind and either drown or swim. YOU will see parts of me that I've lost and found. The love, the lust to my heart on the ground. The insecurities, but also the confidence. The need for reassurance, but also no fucks given since. You may laugh or cry. You may fuck the first person that comes to mind. When you read my words, my venom shines. So sweet yet so seductive. You will love it and succumb to it. Metaphorically hypnotized. Sit back and open your mind in my world where souls unwind. Imagination has no limits here. You can fulfill your fantasies and face your deepest fear. Poetically speaking, I am poetically correct. You may want to relax. My words will have massive side effects. Everything in one. A *Walking Contradiction*. You will be back when you're done.

Dangerous Ages Rose Macaulay, 2019-12-02 In *Dangerous Ages*, Rose Macaulay intricately weaves a narrative that explores the complexities of women's lives during the tumultuous period between the World Wars. Written in a fluid modernist style, the novel comprises a series of interconnected vignettes that follow the lives

and struggles of several female protagonists as they confront shifting societal expectations and explore their desires for independence and fulfillment Macaulay's sharp wit and keen social critique illuminate the frustrations and paradoxes of femininity in a rapidly changing world placing her work firmly within the context of early 20th century feminist literature Macaulay an esteemed novelist and essayist was deeply engaged with the progressive ideas of her time often integrating her own observations on the cultural historical and political landscape into her literary works Drawing inspiration from her own experiences as an educated woman and her awareness of women's societal roles she crafted *Dangerous Ages* to address the dynamic interplay between personal ambition and the constraints imposed by gender norms showcasing her empathy and understanding of the female condition This compelling novel is a must read for those interested in feminist literature and the historical context of women's rights Macaulay's vivid characterizations and insightful commentary provide a rich tapestry of emotions and dilemmas that resonate with modern audiences making *Dangerous Ages* both a poignant historical reflection and a timeless exploration of gendered experiences

Faith, Hope, and Love in the Technological Society Franz A. Foltz, Frederick A. Foltz, 2018-07-31 Franz and Frederick Foltz examine how modern technology creates an environment that significantly affects Christianity by reducing the mysteries of faith to manageable techniques The body of their work analyzes the effects of technology on the theological virtues of faith hope and love the triad that believers have used for a common narrative to understand and express their thoughts and experiences They begin by looking at how recent developments have brought us into a post truth era by removing words from their context in nature time place and community Popular theologies such as the power of positive thinking the laws of creation the plan for salvation and the prosperity gospel reflect this change by gearing all for efficiently getting what we want and ignoring tradition The authors then examine each of the virtues separately finding that faith has become a risk management tool that depends on confidence in systems rather than personal relationships hope is defined as the expectation that our present desires shall be granted rather than a vision of the future and love has become an intimacy that provides escape from the real world and community rather than a self denying care for them Finally the authors take a look at some appropriate responses
