

A photograph of a dirt road winding through a forest. The trees on either side have vibrant autumn foliage in shades of orange, yellow, and red. The road leads towards a bright light at the end of the path, creating a strong sense of perspective. The overall mood is romantic and serene.

Love conquers all; let
us surrender to Love.

Philosophy of Sri Chinmoy Kusumita P. Pedersen, 2021-06-28 This is the first book length study of the thought of Sri Chinmoy 1931 2007 who became well known during his lifetime as the exponent of a dynamic spirituality of integral transformation which he set forth in an extensive body of writings in both prose and poetry mostly in English but also in his native Bengali He held that all fields of human endeavor can be venues of spiritual transformation when founded in aspiration and contemplative practice He is noted not only as a spiritual teacher but also as an advocate of peace a composer and musician an artist and a sportsman who created innovative programs promoting self transcendence and understanding between people of all cultures and walks of life This study of Sri Chinmoy s philosophy refers to these diverse activities especially in the biographical first chapter but is mainly based on his written works The book s aim is to give to the reader a straightforward and unembroidered account of Sri Chinmoy s philosophy It makes every attempt to allow Sri Chinmoy to speak for himself in his own words and thus provides ample quotation and draws on his poetic works as much as on his other writings **Die to Love** Unmani Liza Hyde, 2011-06-16 This is book is for those who have been genuinely searching and

longing for awakening or the truth Die to Love directly points the reader to the end of the spiritual search once and for all I am not trying to help you If you read this book I will simply destroy you And who am I I am you I am Life itself Die to Love explores the desperate longing for love and surrender that so many people feel But are we willing to lose everything that is familiar and safe in order to know that love that we long for Are we willing to die for love This is the death not of the body but of the identity called me Unmani looks at what it is to fall in love and how in moments of intimacy there is no separation Two merge and become one Two separate individuals know that they can never be separate There are also chapters on relationships and the madness of love as well as unconditional and conditional love and what compassion really is **Love Is** Craig R Durrant, 2019-11-17 What is love Craig thought that he knew what it was until his life fell apart and his dreams shattered along with all that he held close to his heart burnt in the fires of divorce and broken hearts He thought it was

giving up our dreams in order to please others and to do whatever it takes to make them happy but that isn't love. Everything that he thought was love failed over and over and felt more like neediness and desperation instead of love. Believing that his only source of love was from others he had given away his dreams and his power which left him feeling broken and needy. Love is a heart and soul learning how to love and dream again with increased openness and greater depth. Love is many things but it is never needy or broken. In his journey to love again the answers came. It exposes our inner song as a gift to those we love and to the world. This is a gift to the world. It is Craig's inner song of loving again with the transparency and nakedness of love. It is remembering and learning that love is. Read on and see if it speaks to your soul like it has for so many others. Love is [Love and Friendship Across Cultures](#) Soraj Hongladarom, Jeremiah Joven Joaquin, 2021-01-10. This collection brings together different philosophical points of view discussing two important aspects of human life namely love and friendship within the broad context of comparative philosophy. These points of view differ in terms of their cultural orientations East or West ancient or modern philosophical methodologies analytical historical experimental or phenomenological broadly construed and motivation explanatory revisionary or argumentative. The volume is a comparative treatment of how diverse philosophical cultures view love and friendship such as how Aristotle and Confucius views on friendship are similar and different how the ancient Greeks and the Buddhists view friendship and happiness and how posthumous love is possible. With contributions from a diverse set of scholars this book presents the emerging views of Southeast Asian philosophers compared with those of philosophers from other regions including Europe and North America. The volume thus provides a multi-faceted way of understanding love and friendship across cultures and will be relevant to scholars interested in philosophy the history of ideas Asian Studies and religious studies. *Subordinated Ethics* Caitlin Smith Gilson, 2020-08-21. With Dostoyevsky's Idiot and Aquinas Dumb Ox as guides this book seeks to recover the elemental mystery of the natural law a law revealed only in wonder. If ethics is to guide us along the way it must recover its subordination. Description must precede prescription. If ethics is to invite us along the way it cannot lead either as politburo or even as public orthodoxy. It cannot be smugly symbolic but must be by way of signage of directionality of the open realization that ethical meaning is en route pointing the way because it is within the way as only sign not symbol can point to the sacramental terminus. The courtesies of dogma and tradition are the road signs and guideposts along the longior via not themselves the termini. We seek the dialogic heart of the natural law through two seemingly contradictory voices and approaches St Thomas Aquinas and his famous five ways and Fyodor Dostoyevsky's holy idiot Prince Myshkin. It is precisely the apparent miscellany of these selected voices that provide us with a connatural invitation into the natural law as subordinated as descriptive guide not as prescriptive leader. **She, in Light** Puja Karan, 2025-03-23. This book *She in Light* is a book for readers who want to get started with the realization of truth. This book is also for the readers who are unknowingly making mistakes in day to day life. It's about Energy Cosmos and Universe at the same time it's about the

surroundings we are living in It s the bare truth So please feel free to dive in to get the answers This book will bust all the false programming and myth that is conditioned in our minds These programming are being transferred generation after generation It s destroying the real bliss that a soul is meant to experience So dive in the deepest truth and bust all the myths Spread love Act of Love Kino MacGregor,2022-10-28 After dealing with a series of obstacles and life challenges Kino MacGregor experienced a revelation Whether eating speaking writing traveling or living she pledged to let everything she did in life be an act of love Just like that the seed of a new world was planted as she began to integrate this simple yet truly life changing principle into her daily routine In a guide shared to help others attain spiritual growth love and true happiness MacGregor presents a new paradigm that promotes an entirely new way of living and being While offering anecdotal stories from her own journey as well as the journeys of students and fellow spiritual practitioners she leads others down a courageous path inward to reset the mind to overcome heartache become more aware and embrace the process of awakening Through moving stories trusted advice and meditation and reflection points MacGregor sets up the parameters of love action and the ultimate shift that teaches students of life how to truly act from love in all we do say and become Act of Love shares anecdotes advice and guidance that will help anyone reprogram the mind choose a new outlook and follow a simple roadmap to attain true love and happiness in life *The Book of Wisdom* Osho,2023-07-09 Religion is not a science Religion is not a science in the sense physics mathematics and chemistry are sciences But still it is a science because it is the ultimate knowing the word science means knowing And if religion is not a science what else can be It is the highest knowing it is the purest knowing Ordinary science is knowledge not knowing religion is knowing itself Ordinary science is object oriented it knows something hence it is knowledge Religion is not object oriented it has no object it knows nothing Knowing knows itself as if the mirror is reflecting itself It is utterly pure of all content Hence religion is not knowledge but knowing

The Religion of Love Pafe Thomas Pafe,Thomas Pafe,2009-12 The Religion of Love is written for those who are seriously searching for wisdom and the path that leads to the Divine The journey is long and tedious but those who honestly search will find it To each soul God may appear different but it is the appearance that is unique not the reality God reveals himself or herself to us depending upon how eager and committed our search is Our love and the understanding of God will ultimately change our perception of the truth This book will guide you on your walk with God and illustrate how to find God It will also show you what God desires the purpose of life a practical approach to prayers how to find your path in life the secrets of the kingdom of God as mentioned in the Bible how to become a light worker The goal of this book is to provide missing information that can awaken or revolutionize consciousness by providing information on religion that has often been limited to morality or sociality and sometimes theology And finally create an environment where religious vibes can flourish
