## **Love Jamaican Style:**

**Love Jamaican Style** McDougal Griffiths, 2001-10-15 LOVE JAMAICAN STYLE is an exciting and very original manuscript which will be enjoyed greatly. The author has presented an unusual novel which centers around the life and experiences of a young man Merv. Although Merv already has a woman, a classmate of his, Angie is deeply in love with him. After graduation, Angie arranges a job for Merv at an importing firm with the hope that he will return her love. Merv goes to work and soon discovers that this company is actually a front for a drug smuggling operation. When his boss realizes that he has learned the truth, he makes plans to kill him. The plot becomes further complex when Angie saves Merv only to be murdered herself. It is only then that Merv realizes that Angie has always loved him and he now seeks revenge by bringing the smugglers to justice. A true story of passion and sizzling patriotic adventure as two college graduates find themselves thrown together in a deadly triangle of love, need, and greed. Merv was unaware of the intensity of her passion all through the semesters until she got him his first job and gave a lot more until she could give no more. Now it was his turn. Angie reached out for Merv in the cell; their bodies touched and passionate sparks flew as their lips met. All protests were silenced by the fires of their hungry kisses and urgent embraces. There was mutual need. Oh Merv, Love me please right now, right here. I don't care just love me.

Its sole purpose is to help preserve the Jamaican Culture. I have found out while living here in the United States of America that there are many Jamaican families whose parents, grand parents, aunts or uncles know how to cook Jamaican food but their children or grand children have not inherited the culinary skills owned by their ancestors. They long to cook like their parents but have not been taught. The purpose of this book is to preserve and pass on the culture, the recipes and a taste of the Jamaican Food. Many restaurants and cooks would love to cook Jamaican Style and some have tried and have fallen short. Jamaica has developed a popularity for certain of its foods.
