Love Jimmy:

JIMMY'S UNREQUITED LOVE Earl Thompson, 2012-07-10 Gem was unhappy But she remembered times when she was happy Those were times when she had had the man of her dreams He was everything to her and he had given her love like she had never had it before She thought this love was going to last forever but then she got pregnant and that changed everything He had previously told her he didn't want a child but she had thought that once he found out his love for her would prevail and they would be happy forever But she was wrong Now fifteen years later he was back and he told her that in order for everything to be as they previously were she would have to correct the mistake she had made in the past Gem was now obsessed with him and was now willing to do whatever it took to get him back into her life even if it meant committing the ultimate crime murder Even if it meant killing Jimmy her one and only son the one she thought was the reason for her unhappiness **Love Lives** Emlyn Rees, Josie Lloyd, 2013-02-07 Two men Two women And every emotion you've ever felt In 1871 Appleforth House was burned to the ground Now over a hundred years later the house is being rebuilt and so the lives of four very different people converge Ned a successful architect is obsessed with restoring the house to its former glory Focussed and determined and bruised by a past relationship he's not looking for distractions But then Ellen a documentary maker arrives to make a film about one of the local landmarks leaving her boyfriend and some tough decisions temporarily behind her But as pieces of the past start to fall into place the restoration also brings together Jimmy and Verity two local teenagers one falling in love for the first time the other an incurable romantic determined to find her fairy tale hero And as their hopes and fears come together they all learn some surprising lessons about finding love in the most unlikely places
