State Library of Iowa

Love Life And Work 1906:

Michael A. Musmanno John S. Haller Jr., 2023-03-22 Aimed at scholars and general readers alike this book offers the first biography of Michael A. Musmanno a Pittsburgh native who found national and international fame in his storied roles as lawyer judge and author of sixteen books two of which became Hollywood movies Born to Italian immigrants Musmanno began working as a coal loader when he was a teenager and he later earned a law degree from Georgetown University Over the course of his colorful career Musmanno became best known for serving as appellate attorney in the Sacco Vanzetti trial presiding over the Einsatzgruppen trial at Nuremberg and issuing over 500 impassioned dissents as a justice on the Pennsylvania Supreme Court John Haller's lively biography highlights the historical and political significance of these achievements while also illuminating the range and influence of Musmanno's other professional accomplishments At the same time Haller's book also looks beneath this public persona It uncovers striking and sometimes troubling details about Musmanno's private life including his relationship with a young child who would eventually become his fiancée for a brief time In telling the story of Musmanno Haller transforms extensive archival research into an engaging narrative His book not only charts Musmanno's indelible political influence but also portrays a human a figure riven with ambiguity complexity and contradiction

The Marriage Book Lisa Grunwald, Stephen Adler, 2015-05-12 The definitive anthology of wisdom and wit about one of life's most complex intriguing and personal subjects When and whom do you marry How do you keep a spouse content Do all engaged couples get cold feet How cold is so cold that you should pivot and flee Where and how do children fit in Is infidelity always wrong In this volume you won't find a single answer to your questions about marriage you will find hundreds Spanning centuries and cultures sources and genres The Marriage Book offers entries from ancient history and modern politics poetry and pamphlets plays and songs newspaper ads and postcards It is an A to Z compendium exploring topics from Adam and Eve to Anniversaries Fidelity to Freedom Separations to Sex In this volume you'll hear from novelists clergymen sex experts and presidents with guest appearances by the likes of Liz and Dick Ralph and Alice Louis CK and Neil Patrick Harris Casanova calls marriage the tomb of love and Stephen King calls it his greatest accomplishment With humor perspective breadth and warmth The Marriage Book is sure to become a classic

Self-help Messiah Steven Watts, 2013-10-29 An illuminating biography of the man who taught Americans how to win friends and influence people Before Stephen Covey Oprah Winfrey and Malcolm Gladwell there was Dale Carnegie His book *How to Win Friends and Influence People* became a best seller worldwide and Life magazine named him one of the most important Americans of the twentieth century This is the first full scale biography of this influential figure Dale Carnegie was born in rural Missouri his father a poor farmer his mother a successful preacher To make ends meet he tried his hand at various sales jobs and his failure to convince his customers to buy what he had to offer eventually became the fuel behind his future glory Carnegie quickly figured out that something was amiss in American education and in the ways businesspeople related to each other

What he discovered was as simple as it was profound Understanding people s needs and desires is paramount in any successful enterprise Carnegie conceived his book to help people learn to relate to one another and enrich their lives through effective communication His success was extraordinary so hungry was 1920s America for a little psychological insight that was easy to apply to everyday affairs Self help Messiah tells the story of Carnegie s personal journey and how it gave rise to the movement of self help and personal reinvention
