these ordinary people to change the course of human history *The Lantern* Callie McFarlane,2021-11-10 Despite that we all experience and have to live with the effects of unfairness and injustice as well as random incidents the difference in outcome can be startling if consistently impelled by one indestructible force love It is through love that all of us as ordinary people can accomplish extraordinary things The Lantern focuses on some representational lives of women throughout some of the eras of humankind s past rooted in historical record These ordinary women and many more like them who remain unheralded accomplished extraordinary things in their lives I celebrate them Love never dies We die What survives of us is love the love that emboldens us to choose respond and act making the ordinary into the extraordinary in thought word and deed Love is a lantern casting its light into the dark corners of our existence With each act of love the lantern burns brighter and brighter and the lantern burns bright and the lantern burns with the unfolding of time into forever *The Great Agony & Pure Laughter of the Gods* Jamala Safari,2012-07-01 Risto Mahuno s agony is what happens to his sweetheart N n to his cousin and to himself In the east of the Congo where the border with Rwanda is also the border between life and death the boys are abducted and forced to become soldiers the girls raped Far too much happens for 15 year old children N n is claimed by the warlord Risto s cousin killed and Risto his eyes already dead is beaten to the brink His fate flings him south on a fraught journey by foot or whatever ride he can get to Mozambique where he arrives with even less of himself left And yet the gods are laughing for Risto s journey back holds promise of love peace and family Visitors at the End of Life Allan Kellehear,2020-07-28 About 30 percent of hospice patients report a visitation by someone who is not there a phenomenon known in end of life care as a deathbed vision These visions can be of dead friends or family members and occur on average three days before death Strikingly individuals from wildly diverse geographic regions and religions from New York to Japan to Moldova to Papua New Guinea report similar visions Appearances of our dead during serious illness crises or bereavement are as old as the historical record But in recent years we have tended to explain them in either the fantastical terms of the supernatural or the reductive terms of neuroscience This book is about how when and why our dead visit us Allan Kellehear a medical sociologist and expert on death dying and palliative care has gathered data and conducted studies on these experiences across cultures He also draws on the long neglected work of early anthropologists who developed cultural explanations about why the dead visit Deathbed visions conform to the rituals that underpin basic social relations and expectations customs of greeting support exchange gift giving and vigils because the dead must communicate with us in a social language that we recognize Kellehear emphasizes the personal consequences for those who encounter these visions revealing their significance for how the dying person makes meaning of their experiences Providing vital understanding of a widespread yet mysterious phenomenon Visitors at the End of Life offers insights for palliative care professionals researchers and the bereaved **Excursions with Thoreau** Edward F. Mooney,2015-10-22 Excursions with Thoreau is a major new exploration of Thoreau s writing and thought that is philosophical yet sensitive to the literary and religious Edward F Mooney

s excursions through passages from Walden Cape Cod and his late essay Walking reveal Thoreau as a miraculous writer artist and religious adept Of course Thoreau remains the familiar political activist and environmental philosopher but in these fifteen excursions we discover new terrain Among the notable themes that emerge are Thoreau s grappling with underlying affliction his pursuit of wonder as ameliorating affliction his use of the enigmatic image of a child of the mist his exalting sympathy with intelligence over plain knowledge and his preferring befitting reverie not argument as the way to be carried to better cleaner perceptions of reality Mooney s aim is bring alive Thoreau s moments of reverie and insight and to frame his philosophy as poetic and episodic rather than discursive and systematic

Cops, Cons, and Grace Brian Cahill,2018-01-08 A decade ago Brian Cahill became the victim of the greatest tragedy any parent can endure with the loss of his firstborn son a veteran police officer in the aftermath of a painful divorce to suicide Far from the carefree retirement he had envisioned the devastated father faced a journey back from the brink of utter despair As the author of numerous opinion pieces and essays on religion the lifelong Catholic was familiar with the concept that the cross is followed by the resurrection and that from death comes new life In the devastating years following his beloved son s suicide the abstract became very real Cahill s work volunteering with two different groups cops and cons saved him allowing him to eventually experience a measure of grace The unlikely combination of working with SFPD officers on suicide prevention and leading a spirituality group for San Quentin lifers brought him enough of a sense of peace and acceptance to truly want to continue living

An Exposition of the New Testament Matthew Henry,1759 **The Two Worlds** ,1929 **Misery to Mirth** Hannah Newton,2018 The history of early modern medicine often makes for depressing reading It implies that people fell ill took ineffective remedies and died Misery to Mirth seeks to rebalance and brighten our overall picture of early modern health by focusing on the neglected subject of recovery from illness in England c 1580 1720 Drawing on an array of archival and printed materials Misery to Mirth shows that recovery did exist conceptually at this time and that it was a widely reported phenomenon The book takes three main perspectives the first is physiological or medical asking what doctors and laypeople meant by recovery and how they thought it occurred This includes a discussion of convalescent care a special branch of medicine designed to restore strength to the fragile body after illness Secondly the book adopts the viewpoint of patients themselves it investigates how they reacted to escape from death the abatement of pain and suffering and the return to normal life and work The third perspective concerns the patient s loved ones it shows that family and friends usually shared the feelings of patients undergoing a dramatic transformation from anguish to elation Through these discussions the volume shines a light on some of the most profound as

well as the more prosaic aspects of early modern existence from attitudes to life and death to details of what convalescents ate for supper and wore in bed
