compassion for myself helped me to experience the same level of unconditional love and compassion for others With great effort and determination love is the foundation for the most intimate romantic relationships Like all else relationships have a beginning and an end Some grow quickly while others take longer to nurture Breakthrough is a compilation of my many unexpected challenges and triumphs of loves lovesickness heartaches and heartbreaks Im no expert in love by any means In Breakthrough you will come to know this first hand However I do believe that when you meet that person that makes your heart flutter the one person that satisfies your sexual and romantic desires then that to me is love When you can show another person how you feel without speaking I call that love In my lifetime I have found amazing loves and I have lost some amazing loves I have had the kind of love that reminded me how simple it is to feel a love that changed me a love that left me hanging and a love I never got over I can only live my life the way it was destined for me and I trust love to always be a part of my plan Love is exciting whether it be puppy love or a unique platonic love a lasting love or just a fling For some people love is based only on physical attraction and nothing more Others prefer a love that comes with commitment trust respect and compromise For me true love is simple and patient There are many things in life that will catch your eye but only a few will catch your heart pursue those Michael Nolan Love is like a violin The music may stop now and then but the strings remain forever June Masters Bacher
