The Dark Side of Love Jane Goldberg,2017-07-12 Many mothers have disturbing fantasies of killing their children Husbands imagine with guilt cheating on their wives Parents stand on the brink of hitting their teenage children or may actually do so while the teens fabricate elaborate strategies of revenge Hurt pain uncontrollable rage and other forms of abuse also make up the dark side of love This landmark book has a bold thesis The denied dark side of love that can show us love s true nature By acknowledging our negative feelings we can come into the full spectrum of emotion and hear the message of our darker feelings without acting them out Through this we can increase our capacity for love To explain her perspective Jane Goldberg traces the development of love and hate from infancy She debunks simplistic myths about mother love and portrays the mother child bond in all its facets She explores the hidden recesses of family love and romantic love and shows how the acceptance of constructive expressions of anger jealousy and competition can enhance intimacy Drawing on case histories from her psychoanalytic practice as well as mythic stories Goldberg offers insights into the troubling but universal nature of the dark side of love In a highly accessible style she explores how to develop a psychological immune system to protect against the potentially destructive elements in relationships and allow for a constructive expression of love s dark side Her debate provoking book should be read by psychoanalysts and psychotherapists individuals who have suffered from the pains and hurts of love and indeed by those who are interested in human motivation and behavior

Whatever Happened to Sara Gwen Beaudean Thoma EdD,2022-08-31 In 1953 life in Farrar Missouri was simple and quiet The town of less than one hundred was composed of German immigrants who were mostly farmers The town was centered around their Lutheran church and school Sara Turner was a twenty three year old elementary teacher at the Salem Lutheran Grade School in Farrar She was beautiful and she was loved by this community

She had close friends but was not lucky in romance The heartache from her first broken romance at the age of twenty one made Sara cynical and distrustful of men In July of 1953 Sara Turner was brutally murdered on a deserted county road near Farrar The small town was shocked to learn that their sweet and dear Sara was killed in such a way Nothing like this had ever happened before in Farrar Everyone knew everyone else in the community The murderer couldn't possibly be anyone living in Farrar John Barnes was the sheriff in Perry County Missouri He wanted to solve this case desperately As he learned more about Sara and put the clues together he became obsessed with the need to find justice for the young woman whose life had ended so brutally Whatever Happened to Sara is a book that reveals not only the life of Sara Turner but also the evidences as they compiled until the case was finally solved I hope you enjoy this book until its dramatic end **A Study Guide for Diana Son's "Stop Kiss"** Gale, Cengage Learning, A Study Guide for Diana Son's Stop Kiss excerpted from Gale's acclaimed Drama for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama for Students for all of your research needs *Swords in the Narthex* Gaylon Kent, 2011-10-19 Neil Foster is 33 year old minor league baseball umpire who is comparing what he was taught as a child in the Lutheran Church with what he has learned as an adult such as how to rationalize dating 18 year old Sara Miles who is still in high school because they both appear to be more or less in their mid 20's Jesus Christ reprises the role made popular in the New Testament and visits with the two discussing a variety of aspects of the human experience with particular emphasis on Neil's interpretations of the Sixth Commandment's dictates on sexual purity Satan also appears as both a golfer and an attorney as does Neil's old friend Brad Wyler now one of the planet's biggest rock stars and Major Howard K Opdahl like Neil a former Marine who was blinded during his service and has his own insights into the goddamned human experience Taking place everywhere from small town USA to gracious suites and dive diners in Las Vegas on New Year's Eve to Dodger Stadium *Swords In The Narthex* is a funny thoughtful look at the human experience **The Lost and Found Children of the Deep Blue** KS Garcia, 2019-05-31 In this book Sara has it all according to worldly possessions She has the love of a wonderful man more money than anyone needs in their lifetime and the job she had work so hard and always dreamed about having Sara had all this and still kept a kind heart and wanted to give back to the world She would help anybody in any way she could Sara had it all yet she always felt as if something was still missing in her life When God calls upon Sara to do his work she finally feels she is exactly where she is supposed to be Sara is filled with more love and joy than she ever thought possible Although frightened about what she has been encountering Sara finds herself up against an unseen force that is threatening Sara and the children's happiness Sara keeps her faith and knows if she continues the course that the Lord has put her on he will see her through it and she will defeat the evil and save the children of the deep blue And we all know that in all things God works for the good of those who love him who have been called according to his purpose Rom 8:28 **Sara's Angel** Sharon Sala, 2015-06-15 Don't miss
