Jenkins, 1994-08 Subject Guide to Books in Print ,1997 **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference Reed, 1995-12 Books in Print ,1991 Understanding Friendship Gary

Chartier,2022 Understanding Friendship illustrates friendship as an expression of Christian love that can enrich one's life and be socially, culturally and politically significant. The book examines what friendship is, how its distinctive moral status can be supported by multiple approaches to Christian ethics and its part in Christian spirituality. Finding A Man Worth Keeping Victorya Michaels Rogers,2006-09-05 How to Find the Man of Your Dreams How to find the man of your dreams is no longer a matter of mystery and frustration. Victorya Michaels Rogers has done her dating homework and in this upbeat book she shares the wisdom from her dating experiences with more than one hundred men, ninety seven of whom asked her out for a second date. After having found Mr Right, Victorya will help you too find a man worth keeping as she shares secrets such as how to be a great date, how not to freak him out, how to know when to call it quits and much more. Don't give up. Refuse to settle. This book can teach you how to find a man who is truly worth keeping. American Book Publishing Record,2002 **Loving Creation** Gary Chartier,2022-09-27 Is it true that all we need is love? Does love capture the essence of Christian ethics? Does a love-centered ethic need to be impartial in a way that leaves no room at ground level for relationships and projects? What is the place of well-being in an ethic of love? *Loving Creation: The Task of Moral Life* seeks to answer these questions by showing how a love ethic and an ethic of creation are not at odds but rather reinforce each other. Gary Chartier articulates a love-centered creation ethic or a creation-centered love ethic and applies it to such issues as sex, economic life, love for enemies and political order. In the book, Chartier offers a powerful alternative both to natural law theories that seem to lose sight of the welfare of actual people and to the accounts of Christian love that embrace an alienating impartiality. He develops an understanding of Christian love as focused on creation that can contribute effectively to enriching both social practices and personal lives. *Loving Creation* is unabashedly theological. But the theological considerations it adduces are ones that will allow Christians to engage in the public sphere with adherents of other religious traditions and of none. It is a contribution not only to theological understanding but also to personal moral reflection, to church practice and to Christian participation in public life. *Indian Books in Print*,2002 *Paperbound Books in Print*,1992 **Books in Print Supplement**,2002
