Medellín: environment urbanism society Michel Hermelin Arboux, Alejandro Echeverri Restrepo, Jorge Giraldo, 2012-01-01 In recent times what has become known as the case of Medellín has generated a growing interest in the international community These urban transformation that Medellín has experimented have become a focus of attention and reference for experts in many fields around the world The book Medellín Environment Urbanism and Society that now published the Center for Urban and Environmental Studies Urbam of EAFIT University is a testimony of the value given by our culture to the accomplishments of the city to the idea of the public sphere and the growing relationship between the technical sphere

and the political sphere understood in the broad sense as a form of disciplinary knowledge and construction of civil society This book brings together a knowledge of the city from multiple perspectives knowledge that is without any doubt impressive for its extension and profundity as well as for its capacity to combine objective data with conceptual reflections about the scope and impact of the different perspectives concerning the theme of urban transformation and the different actors that have participated in such processes The book weaves a broad net over the city its history and development adopting a multidisciplinary vision I think that this will be the first step in creating a speech that might finally liberate itself from the strict disciplinary boundaries building a trans disciplinary perspective that can amplify the urban dimension of the city This is the beginning of a profound and complex reflection that is at the same time a project of knowledge and an instrument of action and participation

*Commodifying Violence in Literature and on Screen* Alejandro Herrero-Olaizola, 2021-10-18 This book traverses the cultural landscape of Colombia through in depth analyses of displacement local and global cultures human rights abuses and literary and media production Through an exploration of the cultural processes that perpetuate the darker side of Latin America for global consumption it investigates the condition that has led writers filmmakers and artists to embrace purposefully or not the incessant violence in Colombian society as the object of their own creative endeavors In this examination of mass marketed cultural products such as narco stories captivity memoirs gritty travel narratives and films Herrero Olaizola seeks to offer a hemispheric approach to the role played by Colombia in cultural production across the continent where the illicit drug trade has made significant inroads To this end he identifies the Colombian condition within the parameters of the global economy while concentrating on the commodification of Latin America s violence for cultural consumption The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
