In the Arms of Baby Hop Kenneth Attaway,2006-10 Many times in my adult life I have had what I would call an awake
out of body experience During these times I was peeking in at my life in a dream state thinking this cannot be my life I found
myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had
all the answers and confidence to boot and the young adult who never settled for can t Well somewhere along the way the
only thing left of who I was once was were just shreds of an almost non existent life Now don t get me wrong there were
some good times along the way but it certainly was not always smooth sailing But what came later in life was no comparison
to the early years Not that long ago my life was filled with disappointment brokenness worry anxiety and fear I survived
breakups and breakdowns sadness and pain grief and loss beyond description all of which led to a one way ticket to
Depression Central Getting off the road to depression was very difficult for me but there is no job too hard for God If you can
relate to the paralyzing despair that I went through then please know that I fellowship with you and understand the grip
depression and anxiety can have on your life However I want you to know that your destination does not have to be a one way
ticket to the land of despair instead your journey can bring you to a place of joy and peace if you simply trust and believe in
