Luke Miles:

Miles Apart Laura Thompson, 2025-03-24 Isabella and Miles are polar opposites forced together for their senior year She is a bookworm who prefers solitude while he is the star football player who rules the school's social scene Their initial encounter is rocky to say the least Isabella sees Miles as a arrogant jock while Miles views her as a shy introverted nerd But as they are paired together they begin to realize there is more to each other than meets the eye Miles the popular quarterback has a reputation for being cold and emotionally unavailable But Isabella's presence in his life starts to chip away at his defenses Meanwhile Isabella's introverted nature is slowly drawn out by Miles's charming albeit rough around the edges personality As they navigate their unlikely partnership they must confront their own biases and prejudices Will Isabella's sharp wit and determination break through Miles's tough exterior or will he shatter her fragile heart Can they find common ground and become more than just unlikely friends *Dark Blood* Caleb James, 2016-06-28 Book One in the Dark Blood Saga

Handsome brilliant and surrounded by good friends twenty three year old medical student Miles Fox has a secret and it is not that he is gay Though he harbors a crush on his straight best friend Luke Miles like his grandmother Anna possesses the healing gift an ability she has made him swear never to use or divulge lest horrible things befall those he loves It happened to her when Nazis butchered her family But it all goes to hell when Miles heals a terminally ill man on a New Orleans cancer ward and wakes locked in the psych unit Worse news of the healing miracle spreads For millennia its carriers have been hunted by those who would steal it Dr Gerald Stangl and his teenage son Calvin know what Miles possesses They like their predecessors will stop at nothing to take it including kidnapping torture and murder As the Stangls noose tightens Miles and Luke are trapped in a death match with stakes higher than they could ever imagine *Apostle Lodge* Paul

Mendelson, 2017-10-05 From the author of the acclaimed *The First Rule of Survival* praised by Lee Child as excellent and uncompromising comes Paul Mendelson's explosive latest thriller *Apostle Lodge* looks out over the ocean an award winning mansion built by a renowned architect Stark and minimal its black opaque windows hide a terrible secret As Colonel Vaughn de Vries investigates the depraved crime committed within its walls he believes there may be more than one killer on the loose all with connections to a charismatic man who as a child drowned his sister and shattered his family And his work is not over yet A jaw droppingly brilliant crime thriller Imagine *The Killing* moved to Cape Town and into the landscape of the hot and dusty African veld Philip Glenister Mendelson plots so smoothly and writes so powerfully *The Guardian*
