Luke Acts And New Testament Historiography:

Luke-Acts and New Testament Historiography Joel B. Green, Michael C. McKeever, 1994 This newest IBR bibliographical resource simplifies the hard work of sorting through the flood of recent publications in Lukan historical studies Luke Acts and New Testament Historiography combines the interlocking fields of New Testament and first century church studies with bibliographic data and abstract style reporting of more than five hundred works including commentaries surveys histories and monographs divided for easy reference by approach and subject Annotations describe the contents of each *Luke's Legato Historiography* David Lee Brack, 2017-10-24 As the first century came to a close the church struggled with its identity due to its memories of a disconnected past As the church reflected on recent history it remembered the origins of Christianity as full of gaps and discontinuities leaving it to question the validity of this new Jesus movement How did Jesus ministry relate to ancient Judaism What was the relationship between John the Baptist and Jesus What kind of transition occurred between Jesus and his followers How did the Holy Spirit relate to Jesus How could the controversial figure Paul have such an integral role in nascent Christianity How could a heavily Gentile church preach about the Messiah of Israel Using a musical metaphor this book demonstrates how Luke replies to these staccato narratives of the first century church with his own legato version of history Luke accomplishes this bridging of past events primarily through the ancient practice of rhetorical transitions and in the process reassures his audiences of the continuity of salvation history throughout the various stages of early Christianity *Luke-Acts and the Rhetoric of History* Clare K. Rothschild, 2004 Revised thesis Ph D University of Chicago Chicago 2003 **Encyclopedia of Early Christianity** Everett Ferguson, 2013-10-08 First published in 1997 What's new in the Second Edition Some 250 new entries twenty five percent more than in the first edition plus twenty five new expert contributors Bibliographies are greatly expanded and updated throughout More focus on biblical books and philosophical schools their influence on early Christianity and their use by patristic writers More information about the Jewish and pagan environment of early Christianity Greatly enlarged coverage of the eastern expansion of the faith throughout Asia including persons and literature More extensive treatment of saints monasticism worship practices and modern scholars Greater emphasis on social history and more theme articles More illustrations maps and plans Additional articles on geographical regions Expanded chronological table Also includes maps *The Gospels and Christian Life in History and Practice* Richard Valantasis, Douglas K. Bleyle, Dennis C. Haugh, 2009-06-15 The Gospels And Christian Life reads the four canonical Gospels as handbooks for religious formation through communal practices The book focuses on the communities that produced each gospel the dynamic energy each gospel displays for creating and sustaining community life the different interpretations of the person of Jesus and the different systems of organization and leadership each gospel promulgated The authors carefully describe the social context of each Gospel and delineate the practices the texts prescribe Each gospel has an imaginative portal an introductory chapter introducing the necessary background for understanding the

social intellectual and religious setting for each gospel Their reading of each Gospel builds on these foundations to illustrate the nature and scope of the community's practices Their work starts from the assumption that the communities did not look to the Gospels for biographical data on the life of Jesus to offer the reader a powerful reading of each Gospel community its unique practices and the way people were trained to become members of it This book is aimed at undergraduate and graduate teachers and students pastors and the general audience eager for new ways to understand the New Testament

Authoritative Texts and Reception History Dan Batovici, Kristin de Troyer, 2016-10-18 Reception history has emerged over the last decades as a rapidly growing domain of research entertaining a notable methodological diversity Authoritative Texts and Reception History samples that diversity offering a collection of essays that discuss various reception historical issues from a plurality of perspectives across several fields Hebrew Bible Old Testament Pseudepigrapha and the Dead Sea Scrolls New Testament early and late antique Christianity While furthering specific discussions in their specific fields the contributions included here authored by both established and emerging scholars illustrate just how wide the umbrella of reception history can be and the varied range of topics concerns and approaches it can accommodate

History and Literature of Early Christianity Helmut Koester, 2012-10-25 This work has established itself as a classical text in the field of New Testament studies Written in a readable non technical style it has become an indispensable textbook and reference for teachers students clergy and the educated layperson interested in a scholarly treatment of the New Testament and its background in the Judaic and Greco Roman world

New Testament History Ben Witherington, III, 2003-11-01 Essential to an understanding of the New Testament is a comprehension of the individual events and social movements that shaped the setting from which Jesus and his followers emerged Unfortunately many accounts by historians can leave readers feeling overwhelmed and confused New Testament History provides a worthy solution to this problem A well known expert on the social situation of the New Testament Ben Witherington offers an engaging look into the world that gave birth to the Christian faith

The Jesus Legend Paul Rhodes Eddy, Gregory A. Boyd, 2007-08-01 Christianity Today 2008 Book Award Biblical Studies Even mature Christians have trouble defending the person and divinity of Christ The Jesus Legend builds a convincing interdisciplinary case for the unique and plausible position of Jesus in human history He was real and his presence on the planet has been well documented The authors of the New Testament didn't plant evidence though each writer did tell the truth from a unique perspective This book carefully investigates the Gospel portraits of Jesus particularly the Synoptic Gospels assessing what is reliable history and fictional legend The authors contend that a cumulative case for the general reliability of the Synoptic Gospels can be made and boldly challenge those who question the veracity of the Jesus found there

The Bible in History David W. Kling, 2022-12-19 Over 15 years after its original publication The Bible in History remains an essential examination of the symbiotic relationship between Scripture and the social and cultural contexts shaping its interpretation David W. Kling traces the fascinating story of how specific biblical texts sometimes a single verse

other times a selection of verses or chapters even books have at various times emerged to be the inspiration of movements that have changed the course of history Episodes range from Anthony's call to the desert and a life of monasticism after hearing Jesus's directive to the rich young ruler to give up his possessions to the Anabaptists' non-violent ethic in following Jesus' teaching in the Sermon on the Mount to the varied applications of the exodus motif in African American history This revised and expanded second edition adds two new chapters The first examines the text in Matthew 28:18-20 and considers the multitudinous interpretations before, during, and after the text emerged as the iconic Great Commission of missionary motivation in the modern period The second assesses those biblical texts that encompass the divisive and ongoing issue of male homosexuality Both chapters engage the question of how the texts have shaped the times but as Kling argues the times have also exerted an enormous impact on shaping the interpretation of the texts and hence on the continuing disputes over the meaning of those texts Pillars in the History of Biblical Interpretation, Volume 3 Stanley E. Porter, Zachary K.

Dawson, 2021-06-07 This third volume like its predecessors adds to the growing body of literature concerned with the history of biblical interpretation With eighteen essays on nineteen biblical interpreters volume 3 expands the scope of scholars both traditional and modern covered in this now multivolume series Each chapter provides a biographical sketch of its respective scholar's an overview of their major contributions to the field explanations of their theoretical and methodological approaches to interpretation and evaluations and applications of their methods By focusing on the contexts in which these scholars lived and worked these essays show what defining features qualify these scholars as pillars in the history of biblical interpretation While identifying a scholar as a pillar is somewhat subjective this volume defines a pillar as one who has made a distinctive contribution by using and exemplifying a clear method that has pushed the discipline forward at least within a given context and time period This volume is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the field of biblical studies has developed and how certain interpreters have played a formative role in that development *New Testament History* Richard L. Niswonger, 1992 In this excellent history of God's

authoritative message to humankind Niswonger presents the major events of the life and ministry of Jesus Paul and the apostolic church by unfolding it against the historical religious and political settings of the time and recounting the events with simplicity and directness More than 90 photographs and maps *Biblical Theology of the Old and New Testaments* Brevard S. Childs, 1993-04 This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Childs's lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament's interest in the Old Rather Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices each of which retains continuing integrity and is heard on its own terms

A Prophet like Moses (Deut 18:15, 18): The Origin, History, and Influence of the Mosaic Prophetic Succession

David DeJong, 2022-09-12 In this book DeJong explores Deuteronomy's redefinition of prophecy in Mosaic terms. He traces the history of Deuteronomy's concept of the prophet like Moses from the seventh century BCE to the first century CE and demonstrates the ways in which Jewish and Christian texts were influenced by and responded to Deuteronomy's creation of a Mosaic norm for prophetic claims. This wide-ranging discussion illuminates the development of normative discourses in Judaism and Christianity and illustrates the far-reaching impact of Deuteronomy's thought. **New Testament**

Foundations Ralph P. Martin, Carl N. Toney, 2018-09-12 Drawing upon over fifty years of scholarly experience of one of the most industrious contemporary scholars, this work which was first published in 1975 has been revised, updated, and expanded to offer a fresh, in-depth introduction to the New Testament for today's students. Students will be immersed into the world of the first century, learning about both Greco-Roman and Jewish backgrounds. While discussing the fundamental questions surrounding the content of each book, including its authorship, audience, and message, this work also engages with the wider historical-critical discussion, helping students navigate the wider world of modern New Testament scholarship. **Luke's**

Literary Creativity Mogens Müller, Jesper Tang Nielsen, 2016-08-11 A combination of two classic discussions in New Testament scholarship, the contributions in this volume shed light on the still unsolved synoptic problem by using the well-coined concept of rewriting to describe the relationship between the synoptic gospels. The contributions work with the hypothesis that the synoptic tradition can be conceived of as a process of rewriting: Matthew rewrote Mark, and Luke rewrote Mark and Matthew. This approach to the synoptic problem dismantles the grounds for the otherwise widely accepted two-source theory. If it can be shown that Luke knew Matthew's Gospel, the Q hypothesis is superfluous. One group of articles focuses on the general question of Luke's literary relation to the other gospels. In these essays, the concept of rewriting describes Luke's use of his sources. The second part of the collection examines a number of texts in order to show how Luke rewrites specific passages. In the final section, the contributions concern Luke's relation to Roman authorities. It is shown that Luke's literary creativity is not limited to his predecessors in the gospel tradition; rewriting is his literary strategy. **A**

Social History of Christian Origins Simon J. Joseph, 2022-12-30 A Social History of Christian Origins explores how the theme of the Jewish rejection of Jesus, embedded in Paul's letters and the New Testament Gospels, represents the ethnic, social, cultural, and theological conflicts that facilitated the construction of Christian identity. Readers of this book will gain a thorough understanding of how a central theme of early Christianity, the Jewish rejection of Jesus, facilitated the emergence of Christian anti-Judaism, as well as the complex and multi-faceted representations of Jesus in the Gospels of the New Testament. This study systematically analyzes the theme of social rejection in the Jesus tradition by surveying its historical and chronological development. Employing the social psychological study of social rejection, social identity theory, and social memory theory, Joseph sheds new light on the interrelationships between myth, history, and memory in the study of Christian

origins and the contemporary re construction of the historical Jesus *A Social History of Christian Origins* is primarily intended for academic specialists and students in ancient history biblical studies New Testament studies Religious Studies Classics as well as the general reader interested in the beginnings of Christianity *The Modern Preacher and the Ancient Text* Sidney Greidanus, 1989-01-19 A fusion of biblical hermeneutics and homiletics this thorough and well researched book offers a holistic contemporary approach to the interpretation and preaching of biblical texts using all the scholarly tools available and focusing especially on literary features Greidanus develops hermeneutical and homiletical principles and then applies them to four specific genres Hebrew narratives prophetic literature the Gospels and the Epistles **Life in the Spirit New Testament Commentary** French L. Arrington Ph.D., Roger Strongstad, 2024-04-24 Uniting Scriptural Knowledge With Spiritual Fire The *Life in the Spirit New Testament Commentary* is the first one volume commentary to present a distinctly Spirit filled perspective on the New Testament If you are a Pentecostal charismatic or empowered evangelical Christian this is one resource you will consult often for authoritative insights into the Scriptures Writing with expertise and scholarly precision the contributors represent Spirit filled theology at its best uniting scriptural knowledge with spiritual fire This one of a kind volume is a perfect companion to the award winning best selling *Life in the Spirit Study Bible* or your favorite Bible regardless of translation You will find Detailed instructions to each book of the New Testament giving you an understanding of the book s purpose and the context in which it was written In depth commentary that will deepen your grasp of the scriptures and strengthen your faith Numerous maps photos and tables to visually enhance your learning In text Scripture references to the New International Version as well as NIV New Testament text in its entirety throughout the commentary **Narrative Hermeneutics, History, and Rhetoric** , 2024-12-23 David P Moessner has pioneered the study of early Christian narrative both through the investigation of the principles and methods of good storytelling outlined by ancient authors and through the demonstration that Christians especially the author of Luke Acts used these principles and methods in crafting their own stories The contributors to this volume recognize Moessner s enormously valuable research and warm collegiality with twenty one essays on narrative hermeneutics characterization genre intertextuality and reception history Several focus fittingly on Luke and Acts while others press the implications of Moessner s work for comprehension of the wider world of Jewish Christian and Greco Roman storytelling

This Captivating World of Kindle Books: A Comprehensive Guide Revealing the Benefits of E-book Books: A Realm of Ease and Flexibility Kindle books, with their inherent mobility and simplicity of access, have freed readers from the limitations of physical books.
