Luke - Acts Christopher R. Smith, 2011-07-20 This study guide will take individuals or groups through Luke and Acts in 32 sessions that correspond with their natural parts Readers will discover that these books are actually the two parts of a single story that tells how the community of Jesus followers began with his life and ministry and then spread around the world The readings and discussion will help them recognize the ways God is still working today and how they can be part of what God is doing The Understanding the Books of the Bible series helps readers understand the biblical story by not only talking about what the authors wrote but also how they wrote Quite often recognizing whether a passage is poetry proverb or history and discerning how the author built his book will unlock its meaning for today's reader Instead of following artificial chapter and verse divisions these Bible study guides lead groups through whole books following their natural outlines and pose engaging questions for discussion and personal application all along the way **Luke and Acts Study Guide** Tom M

Allender, 1999-02-16 DON T WASTE YOUR PAIN None of us escapes the heartache and disappointments of life To live is to hurt and we all have the wounds to prove it Regardless of how we ve been hurt we all face a common question What should we do with our pain Should we stoically ignore it Should we just get over it Should we let it make us stronger Should we optimistically hope that everything will work out in the end If we fail to respond appropriately to the wounds that life and relationships inflict our pain will be wasted it will numb us or destroy us But

suffering doesn't have to mangle our hearts and rob us of the joy of life. It can instead lead us to life if we know the path to healing. Healing is not the resolution of our past; it is the use of our past to draw us into deeper relationship with God and his purposes for our lives. We don't have to be held captive by the hurts of our past. We can move from feelings of powerlessness, betrayal, and ambivalence into faith, hope, and love. The Healing Path takes us beyond self-discovery to God-discovery, giving us the tools to excavate the riches that lay beneath the surface of our pain. If you're ready to use the experiences of the past and present to shape a future characterized by love, service, and joy, now is the time to step out onto The Healing Path.

SCM Studyguide: Theology in the Contemporary World, Ben Pugh, 2017-10-30. No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads. They are bombarded with claim and counter-claim as soon as they want to tackle anything topical. The contentious subjects tend to be the historical Jesus, gender, and sexuality, or the atonement. Other subjects might be less contentious but attract an astonishing excess of literature. Take the vast literature tackling the subject of the Church, for instance, or the bloated body of tomes on various aspects of Pneumatology. This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive, approachable and informative. It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry.

The Letters of Jude and Second Peter: An Introduction and Study Guide George Aichele,2017-01-12 This Guide surveys the more important historical socio cultural theological and literary factors we must grapple with in understanding the two letters of Jude and Second Peter between which there are very strong similarities It appears that the letter of Jude was almost entirely plagiarized by the letter of Second Peter George Aichele s main approach is the method of semiotics examining signifying mechanisms in each of the texts both independently and when they are read together In both of the letters Jesus Christ is called the master with a Greek word that means slave owner and the authors of both books refer to themselves and other Christians as the slaves of Christ Furthermore both writings report situations of paranoid fear within Christian communities of their time as they picture heretical infiltrators who threaten to pervert and perhaps even destroy the community In addition to this in an adventurous excursion the letter of Jude is read intertextually with the classic science fiction horror film Invasion of the Body Snatchers Siegel 1956 in order to explore the dynamics of paranoia
