Bock, 1994-01-01 In Luke's vivid narrative, Jesus comes into Galilee proclaiming good news to the poor, freedom for the prisoners, and recovery of sight for the blind. More than any other Gospel, the Gospel of Luke shows Jesus' great concern for the downtrodden, the oppressed, and the marginalized, including women and children and even those outside the house of Israel. Darrell Bock's IVP New Testament Commentary shows why Luke's Gospel is tailor-made for the world we live in, a world often divided along ethnic, religious, economic, and political lines. After all, the Jesus portrayed by Luke is a source of unity for his disciples and for believers from every walk of life. Tax collectors, Roman soldiers, prostitutes, city officials, religious leaders, widows, and fishermen were among the diverse group brought together in the early Christian church. The Gospel is universal in its perspective and cosmic in its scope. Bock writes, "As we look at our modern multicultural world, certainly there is relevance in a Gospel that highlights how men and women of different ethnic origins can be transformed into a unified community." Along with a passage-by-passage exposition of Luke, Bock offers background information on date, destination, purpose, form, and theological themes in the text. His dual focus on understanding what Luke wanted to communicate to his original readers and on discovering how that message is relevant for today's readers will make this commentary an excellent resource for all who study, preach, or teach the Scriptures. [Luke](#) Leon Morris, 1988 Morris's study on the Gospel of Luke is part of the Tyndale New Testament Commentaries, a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without overuse of scholarly

The Path to Salvation in Luke's Gospel Mija Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do
