Lunch Box Chronicles Notes From The Parenting Underground:

The Lunch-Box Chronicles Marion Winik, 2009-09-09 Child Magazine Best Book of the Year For me parenting is like dieting Every day I wake up filled with resolve and good intentions perfection in view and every day I somehow stray from the path The difference is with dieting I usually make it to lunch With the candor and often hilarious outlook that have made her a beloved commentator on NPR Marion Winik takes the reader on an unforgettable journey through modern parenthood with all of its attendant anxieties and joys A single mother with two small boys Winik knows exactly what she's talking about from battles over breakfast and bedtime to the virtues of pre packaged food and weightier issues like sex education and sibling rivalry Part memoir and part survival guide The Lunch Box Chronicles is an engaging philosophy of parenting from a staunch realist who knows that kids and their parents both will inevitably fall far short of perfection and that a good enough mom really is in fact good enough

Family Disintegration Anton Purcell, 2002 The contemporary family is being distracted disturbed and distraught by societal pressures from every direction The nuclear family concept believed crucial to child rearing is becoming passé according to census data Or has the wave of disruption to families crested It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century
